ACKNOWLEDGMENTS

At first I would like to owe special thanks and deep sense of gratitude towards my revered supervisor Dr. N. N. Dogra, Professor, Department of Geology, Kurukshetra University, Kurukshetra for his supervision, advice and guidance from the very early stage of this research and for giving me extraordinary experiences through out the work as well. Above all and the most needed, he provided me unflinching encouragement and support in various ways. His truly scientist intuition has made him as a constant oasis of ideas and passions in science, which exceptionally inspired and enriched my growth as a student, a researcher and a scientist.

I gratefully acknowledge Dr. (Mrs.) Alpana Singh, Scientist-F, Birbal Sahni Institute of Palaeobotany, Lucknow for her advice, supervision and crucial contribution, which made her a backbone of this research and so to this thesis work. Her involvement with her originality has triggered and nourished my intellectual maturity that I will be benefitted from, for a long time to come.

Many thanks to Dr. A.R. Chaudhri, Chairman; Prof. S.K. Lunkad, Late Prof. P.C. Chaturvedi and Late Prof. G. Vallinayagam (Former Chairpersons) of the Department of Geology, Kurukshetra University, Kurukshetra for providing all necessary facilities and support during my Ph.D work.

My Sincere thank to Dr. Sunil Bajpai, Director and Dr. N.C. Mehrotra (Former Director), Birbal Sahni Institute of Palaeobotany, Lucknow for providing me the necessary facilities to carry out the present work. I express my gratitude to Dr. B.D. Singh, Scientist-F, Birbal Sahni Institute of Palaeobotany, Lucknow for his valuable guidance and co-operation during the work. I convey my special thanks to the General Manager, Gujarat Mineral Development Authority, Ahmedabad, Gujarat, for providing permission and making arrangements for accommodation and to visit the Panandhro lignite mine.

I sincerely thank Dr. Om Prakash, Dr. Naresh Kumar and Mr. Satish Kumar, the Assistant Professors, Department of Geology, KUK for their help and support. Amongst the many people who have been helpful during my thesis work, I am especially thankful to Mr. Vikram Partap Singh, BSRS, BSIP, Lucknow, Mrs. Anita Sharma and Mr. Sikander, Research Scholar, Department of Geology, KUK, for their help. I am also

thankful to the non-teaching staff of Department of Geology, KUK and technical staff of BSIP, Lucknow for their help.

My parents deserve special mention for their inspirational support and good wishes. My Father, Shri Brij Mohan Gautam, showed me the joy of intellectual pursuit ever since I was a child. My Mother, Smt. Darshana Rani, sincerely raised me with her love and care. In addition I thank my sister Mrs. Meenu Sharma, brother Mr. Sudhir Gautam, brother-in-law Mr. Dimpal Sharma, niece Vanshita, nephew Naman and in-laws. Words fail me to express my appreciation to my Wife Niharika Gautam whose dedication, love and persistent confidence in me, has taken the load off my shoulder. My daughter Hridani Gaur has been a source of emotional inspiration to me at the culmination point of this thesis.

Finally, I would like to thank everybody who was important to the successful realization of thesis.
