Acknowledgment

It gives me great pleasure to extend my sincere gratitude and appreciation towards the people who have been involved, directly or indirectly, to make the research work described in this thesis possible.

First and foremost among them is my research guide Dr. V. B. Gaikwad who has introduced me to this ever challenging field. I would like to express my deep gratitude and sincere thanks to him for giving me an opportunity to work under him and all kind of supports. I also express my sincere thanks to him for his guidance, critical suggestions, motivation and endless enthusiasm.

I express my deep gratitude and sincere thanks to my co-guide Dr. A. V. Borhade, who taught me to execute the scientific ideas and interpret the obtained results, which helped me a lot for building my career. He has given me freedom to disturb him anytime for query or discussion. I express my sincere thanks to him for his precious guidance.

I also have a deep sense of thankfulness and obligation to the Sarchitnis, Smt. Neelimatai Pawar and the Managing Committee of Maratha Vidya Prasarak (MVP) Samaj, K.T.H.M.College, Nashik for providing the necessary infrastructure, instrumentations, chemicals etc.

My special thanks to Dr. M. N. Jachak and Dr. R. B. Toche for their encouragement, guidance and moral support given to me during last five years in my life.

I am extremely gratified to Dr. D. D. Dhavale, Dr. A. K. Nikumbh, Dr. Smt. N. S. Rajurkar, Dr. S. K. Pardeshi and Dr. Avinash Kumbhar, Department of Chemistry, University of Pune, for their dynamic encouragement, patronizing and affectionate guidance during the course of this study.

I am very much thankful Dr. P. L. Dhepe (NCL Pune), Dr. B. B. Kale (CMET Pune), and Dr. S. I. Patil (University of Pune) for helping in characterization of material analysis and literature search. I would like to thanks Dr. R. D. Pokharkar, Dr. S.R. Kuchekar, Dr. G. H. Jain, Dr. R. S. Varkhede and Dr. V. D. Bobade for their valuable co-operation and suggestions.

I would like to thank Dr. A. D. Bholay, Department of Microbiology, for teaching me biological concepts and helping me in research work and guidance. I would like to thanks to Aarti Madam (Mumbai) for providing me the facility of GC-MS, LC-MS analysis time to time.
I would also like to thank all the members of the Chemistry Department (Teaching and Non teaching) who made me feel a part of the “Chemistry” Family. I would like to thanks Mr. B. M. Padwal (HOD), Dr. S. V. Patil, Dr. J. S. Aher, Dr. V. J. Medhane, Mr. M. P. Shinde, Mr. P. D. Dhondge, Mr. N. D. Gaikwad, Dr. Kaur madam, Smt. Chudhari madam, Ingle madam and Deshmukh madam for their continuous support in the department.

I would like to thank all my friends Pravin Adke, Chetan, Kailash, Anant, Sandip, Sagar, Govind, Sanju Bhau, Sandeep, Ashok, Vishal, Dnyaneshwar, who stood behind me at every moment. Because of them, I never felt alone. I will never forget their kind support and special treatment provided during my work.

I wish to thank my well-wisher Dr. Niranjan Patil, Mr. Shivaji Labhade, Dr. Naresh Badgujar, Dr. M.A. Kazi, Dr. D.R. Birari, Dr. M. Ghagare, Dr. S. M. Bagul, Dr. B. K. Ghotekar, Mr. Rane, Mr. Deore, Mr. Bhavsar, Mr. Chavan, Mr. Balasaheb Pagar, Dr. Avhale, Dr. Rathod, Dr. Nalawade, Dr. Sudhrashan Kokate, Mr. Sudhir Arbuj and Mr. Satish Jadhav for their kind help and inspiration during the course.

I must appreciate the efforts of Mr. Shivraj, Mr. Deepak and Dr. Pawan who helped me a lot in thesis formating. I wish to thank past and present colleagues, Sandip Badgujar, Revan, Ganesh Patil, Shrikant, Sandeep, Ramhari, Prashant, Santosh, Sachin, Someshwar, Gorakh, Ganesh, Nilesh, Kirankumar, Keshav, Ghansham from K.T.H.M.College and Baste Sir, Dholi Sir, Patil Sir, Uphade Sir, Dipak, Amar, Rahul, Danyeshwari and Nivideeta from R.Y.K. College for their constant friendship.

I always fill homely because of my local guardian Kaka, Mavshi, Sonu, Monu and Varad. They always take care of me in every manner. I must thank them to all.

This thesis would not have been possible without the strong faith, continuous support and encouragement of my family, because of all their efforts I am here. I wish to express my deep gratitude to my father and mother for their support, trust, patience and blessings that led me to successfully complete my research work. I am really very thankful to my elder brother Dada and Vahini for all kind of help.

........... Sharad Shankar Gaikwad
