ACKNOWLEDGEMENT

I consider myself very fortunate in being privileged to work under the able scholastic guidance of Dr. V. S. Lomte, Professor of Environmental Science and Director, Board of college and University. Development, Dr. Babasaheb Ambedkar Marathwada University, Aurangabad, to whom I express profound sense of gratitude and ever lasting thankfulness. This thesis is outcome of his constant help, unfailing enthusiasm, sound criticism, crisp comments, constant encouragement and inspiring guidance.

I am indebted to Professor and Head of the Department of Environmental Science Prof. Dr.S.B.Wagh and Prof. Dr. B.N. Pande for their kind help and encouragement and also providing me with all laboratory facilities.

I find no words to express my feelings towards Dr. Masarrat Sultana. I deeply remain indebted to her for the co-operation and invaluable encouragement and help extended at every stage of my research work.

I am thankful to Principal Mr. N.M.Jogdand of Lal Bahadur Shastri college, Udgir for kindly granting me permission to carry out my research work and for providing me necessary laboratory and library facilities to complete this research work.

I owe a sense of gratitude to Principal P.L.Deshmukh and vice Principal Dr. D.H.Thorat, Head of the Dept. Dr. S.D.Dandegaonkar, Prof. R.D.Joshi, former Principal Dr. A.C.Chaudhari of Yogeshwari Mahavidyalaya Ambajogai and Dr. M.S.Kodarkar Vivek Vardhani college, Hyderabad.

I owe a sense of gratitude to Principal Dr. C.R.Mohite, Head of the Dept. G.L.Jatale and R.T.Jadhav of Shivaji Mahavidyalaya, Principal Dr.A.P.Bhokre, Head of Dept. Dr. A.G.Karpe and C.R.Joshi of Veterinary college, Udgir.
I extend my gratitude to Head of the Dept. M.B. Deshmukh, lecturer, Miss A.G. Siddiqui and Miss S.S. Ambesange, Department of Microbiology, Dayanand Science college Latur, for providing me laboratory facilities.

I thank all my friends Dr. N.N. Bandela, Dr. R.T. Chaudhari, Dr. S. Feroz, Mrs. Daspute, Mr. A.S. Mane Mrs. Kunjir and non teaching staff, Department of Environmental Science, Dr. Babasaheb Ambedkar Marathwada University for helping directly or indirectly during the period of my research work.

I owe a sense of gratitude to A.V. Indurkar and Dr. S.J. Nalgirkar family members. I owe my sense of gratitude to my mother, brothers Dr. G.S. Patki, Milind Patki and sisters for their kindness and constant encouragement.

I am also thankful to Mr. Girish R. Ghanbahadur and Sambhaji D. Ugaley of Anjali Computer for the manuscript.

Last but not least, I do not have words to express my sincere thanks and appreciation for the infinite patience, cooperation inspiration and timely help from my husband Shri. Arvind N. Kulkarni, son Amol and daughter Anuya in completion of this formidable task.
