ACKNOWLEDGEMENT
ACKNOWLEDGEMENTS

I wish to express my deepest sense of gratitude to Dr. K. THIRUMARAN, M.Sc., M.Phil., Ph.D., Professor and Head of the Department of Botany, Government Arts College (Autonomous) Coimbatore-641 018, my Research Supervisor and Guide, for his inspiring guidance, constant encouragement and untiring help throughout the course of this investigation.

I am extremely thankful to Thiru. K. GOVINDASWAMY PILLAI, Principal, Government Arts College (Autonomous) Coimbatore, for his kind permission to pursue the research work.

I would like to register my deep sense of gratitude and indebtedness to Prof. K. UDAIYAN, M.Sc., M.Phil., Ph.D., Professor and Head of the Department of Botany, Bharathiar University, Coimbatore-641 046, for his immense help in carrying out the work, valuable suggestions and critical evaluation of the manuscript.

I owe a debt of gratitude and thanks to Dr. N. RAMAN, M.Sc., Ph.D., Reader in Botany, Centre of Advanced Studies in Botany, University of Madras, for his valuable suggestions, diligent encouragement and perusal of the manuscript.

My deep sense of gratitude and sincere thanks are due to Dr. D. PURUSHOTHAMAN, M.Sc., (Ag.) Ph.D., Professor of Agricultural
Microbiology, Tamil Nadu Agricultural University, Coimbatore, for his valuable suggestions and perusal of the manuscript.

My sincere gratitude is also due to Thiru. A. KANNAN, M.Sc., and Dr. P. CHIDAMBARAM, Ph.D., Plant Pathologists, C.I.C.R., Regional Station, Coimbatore for providing seeds of the two cotton varieties, virulent strain of fungal pathogen and valuable suggestions.

I am very much thankful and grateful to M/S T. MUTHUKUMAR, S. GREEP, A. KARTHIKEYAN, Dr. V. SUGAVANAM and Dr. K. VASANTHA, Department of Botany, Bharathiar University, Coimbatore for their untiring help and assistance throughout the course of this work.

I owe a deep sense of thanks and gratitude to Dr. K. MANIAN, Ph.D., Thiru. N. CHANDRASEKAR, M.Sc., (Ag.) and Dr. G. PADMANABHAN, Ph.D., Department of Crop Physiology, Tamil Nadu Agricultural University, Coimbatore, for their valuable suggestions and help in carrying out the biochemical experiments.

I would like to thank Thiru. BALASUBRAMANIAN, Department of Botany, Bharathiar University and Thiru. A. CLEMENT JOSEPH, my colleague, for their kind help in taking photographs.

I am thankful to M/S. Manickam, Narayanam, Manoharan and Rishi, I.F.G.T.B., Coimbatore, for their kind help in carrying out certains experiments.
I owe a deep sense of gratitude to Dr. GANESAN, Research Associate, S.B.I., Coimbatore and Thiru. SRINIVASAN, CAS in Botany, University of Madras, Madras for their immense help and valuable assistance in carrying out the work.

My special thanks are due to my colleagues, Thiru. K. VISWANATHAN, Dr. H. MUHAMED MUBARACK, Dr. E.A. MURUGANANTHAN and others for their kind and constant encouragement.

I would like to extend my thanks to Dr. K. VANANGAMUDI, Dr.(Mrs.) MALLIKA VANANGAMUDI and Tmt. GEETHA for the neat execution of computer type setting work.

I owe a special note of thanks to my wife and children for their sustained patience and untiring support throughout the course of this work.

(C. JAGANATHAN)
