ACKNOWLEDGMENT
ACKNOWLEDGMENT

The author wishes to express her deep sense of gratitude and immense heartfelt thanks to her guide Dr. S.R. SREE RANGASWAMY, M.Sc (Ag)., Ph.D., Director, Centre for Plant Molecular Biology, Tamil Nadu Agricultural University, Coimbatore, for his kind suggestion of the problem, valuable guidance, continued interest, ceaseless inspiration and constant encouragement evinced during the course of her study and in the preparation of her thesis.

The author wishes to express her sincere and profound thanks to Dr. K.M. MARIMUTHU, M.A., M.Sc., M.Tech., Ph.D. (M. Master), Vice chancellor, Bharathiar University, Coimbatore, for permitting her to pursue her doctorate degree course at Tamil Nadu Agricultural University.

The author wishes to express her deep sense of gratitude to Dr. S. JAYARAJ, M.Sc (Ag)., Ph.D., Vice chancellor, Tamil Nadu Agricultural University, for permission granted to her to carry out her work at School of Genetics, Tamil Nadu Agricultural University.

The author records her sincere thanks to University Grants Commission for granting the fellowship for one year to pursue her doctorate course under the faculty improvement programme.
The author is indebted to the management, Principal Sr. Nympha and Dr.(Sr).Marsiana, Head Of the Department of Botany, Nirmala College, for the permission granted to carry out her research work.

The author expresses her gratefulness to Dr.P.Vaidyanathan, M.Sc (Ag), Ph.D., Professor, Paddy Breeding Station, Dr.Sethupathi Ramalingam M.Sc (Ag), Ph.D., Professor of Cytogenetics, Dr.S.Palaniswamy, M.Sc (Ag), Ph.D., Professor, Millet Breeding Station, Dr.V.Muralidharan, M.Sc (Ag), Ph.D., Professor, Genetics, Tamil Nadu Agricultural University, Coimbatore, for their valuable suggestions help and keen interest evinced during the course of her study.

The author wishes to thank Dr.P.Duraisamy, Head of the Department of Computer Technology, Government College of Technology, Coimbatore, for permitting her to use the image processor and Dr.P.K.Ranjekar, Unit Leader, Plant Molecular Biology Unit, National Chemical Laboratory, Pune, for granting permission to work in the laboratory.

The author is particularly grateful to Dr.(Miss). T.N.Sundaram, M.Sc, Ph.D., Retired Professor and Head Of the Department of Botany, Nirmala College, for the valuable
suggestions, advice, help and encouragement evinced during the course of her study.

The author wishes to express her sincere and profound thanks to Miss.K.S.Usha, Miss.V.K.Uma, Mr.R.Balamurugan, Mr.S.Lakshmikanth and Mr.R.Narasiman for the encouragement, physical help and moral support rendered by them during the course of study.
