ACKNOWLEDGMENTS

I wish to express my deep sense of gratitude to my research supervisor and guide Dr. R.S. Dhananjayan, Reader in Economics, Bharathiar University, Coimbatore for his valuable guidance and suggestions at various stages in completing this research work. His constant encouragement and deep involvement has been a source of inspiration in completing this research work. I thank him for the opportunity given to learn from his association.

I am grateful to Dr. S. Perumalsamy, Prof and Head, Department of Economics, Bharathiar University, Coimbatore for providing me constant help and support while doing this research work. My sincere thanks are also due to Dr. P. Arumugam, Reader in Economics, Dr. B. Muniandi, Reader in Economics and Dr. V. Anbumani, Lecturer in Economics, Bharathiar University for their constant encouragement during the course of my study.

I am highly indebted to Dr. K. M. Marimuthu, Former Vice- chancellor of Bharathiar University, Coimbatore and to Dr. S. P. Visvanathan, former Registrar of Bharathiar University for their kind and constant encouragement in completing my doctoral work. I also thank Mr. Shanmugham, Lecturer, Bharathiar School of Management (BSMED) and Dr. Sarukesi, Department of Computer Science, Bharathiar University, Coimbatore for their timely help in completing this research work.

I am highly indebted to a number of my friends whose association has been a source immense strength in completing this research work. I wish to express my heartfelt thanks to Mr. M. Madhavan, Mr. P. Ganesan, Mr. S. Saravanadurai co-research scholars, Mr. Chinna Nachimuthu, Miss. Uma Maheswari, Junior scholars in the Department of Economics, Bharathiar University, Coimbatore and Mr. R. Velusamy, Secretarial Staff of the Physical Education Department, Bharathiar University, Coimbatore for their timely help, co-operation and continuous support extended to me at several stages in completing of this research work.
My special thanks are also due to my friends Miss. Dr. N. Sasikala Devi, Dr. M. Manickavasagam, Department of Economics and Miss. Meera, Lecturer, R.V.S. College, Sulur for their kind support and help given during the course of this doctoral work. I also extend my sincere thanks to Mr. S. P. Ravikumar and Mr. Raju secretarial Staff in the Department of Economics for their help while pursuing the doctoral work.

I express and record my sincere thanks to Mr. K. S. Ramachandra Rao, Assistant Advisor, Department of Statistical Analysis and Computer Services, Reserve Bank of India, Bombay for providing access to the published and unpublished data sources pertaining to the Medium and Large Public Limited Private Sector Industries in India.

I am greatly indebted to the Institute for Economic and Social Change and the Indian Institute of Management, Bangalore, for having permitted me to use their library to collect required reference materials in completing this research work.

I express my deep sense of gratitude to M/S Kumaran Pathipagam and M/S Vasanthi Printers, Coimbatore for their help in taking copies and neat binding of the thesis work. I also thank one and all who have both directly and indirectly helped me in completing of my doctoral assignment.
