ACKNOWLEDGEMENT

With pride and pleasure I seize this opportunity to record my deep sense of gratitude and thanks to Dr.K.J.Rajendra Prasad, Professor, Department of Chemistry, Bharathiar University, Coimbatore for his invaluable suggestions and inspiring guidance throughout the course of my investigation.

It is with immense gratitude I record my thanks to Dr.K.Natarajan, Professor and Head, Department of Chemistry, Bharathiar University, for his enthusiastic support and help.

I whole heartedly thank Dr.P.S.Mohan, Reader, Department of Chemistry, Bharathiar University, Coimbatore for his constant encouragement, inspirations and kindness. Really I am very proud and fortunate for having such a man of high calibre.

I owe my sincere thanks to Dr.S.P.Rajendran and Dr.S.Govindarajan, Readers, Department of Chemistry, Bharathiar University for their timely help whenever needed.

I sincerely thank Dr.K.Kumaraswami, Principal Kongunadu Arts and Science College, Coimbatore for his unstinted help and encouragement for the completion of my research work.

I wish to thank Dr.M.Aruchami, Secretary, Kongunadu Arts and Science College, Coimbatore for permitting to continue my research work.

I feel happy to thank Dr.Lakshmana Perumalsamy, Professor and Dr.P.Usharani, Reader, Department of Environmental Sciences and Dr.P.Murugan, Reader, Department of Zoology, Bharathiar University, for providing pharmacological results.

I express my thanks to Dr.P.Sidduraj, Research Associate, Department of Botany for his help to carry out phytochemical studies.

I thank Dr.C.S.Vijayalakshmi and Dr.M.Subramaniam for their unfailing help during the early stage of my research work.

I wish to thank Dr.G.Muthusamy, Assistant Professor in Chemistry, Kongu Engineering College, Perundurai, Mr.N.Dharmaraj, Dr.B.N.Sivasankar and Mr.S.Ponnumswami, Lecturers, Department of Chemistry, Kongunadu Arts and Science College, Coimbatore, Mr.K.Vivekanandan, Research Scholar, Department
of Physics, Bharathiar University, Coimbatore, Mr.M.Madhavan, Industrial 
Economist, Tirupur and Mr.S.Kulandhaisamy, Assistant Professor, Tamil Nadu 
Agricultural College and Research Institute, Killikulam for their encouragement 
and help to complete this research work.

The help rendered by Dr.S.Vijayalakshmi, L.Ragunath, P.A.Periasamy and 
R.Ramesh at various stages of the work is also remembered with thanks.

I acknowledge Miss G.V.Kiruthika, IIT, Chennai, The Director, HPF, Ooty 
and Mr.Vivekanandan, SIF, IISc, Bangalore for providing NMR spectral data. I am 
duly bound to thank The Director, Ayurveda Research Institute, Coimbatore and 
RSIC, CDRI, Lucknow and RSIC, IIT, Chennai for providing elemental analysis 
and spectral data.

I would like to record my thanks to all the faculty members in the 
Department of Chemistry, Kongunadu Arts and Science College, Coimbatore, for 
their useful discussions.

I wish to thank Mr.K.Shanmughasundaram, Mr.R.Balamurali, 
Miss.S.Yasodhai, Miss.S.Thamaraiselvi, Miss.C.Kavitha, Mr.P.Viswanathamurthi, 
Mr.G.Arun Prakash, Mr.Daniel Thangathurai, for their lively cooperation and 
pleasant association during the course of my research work.

Financial Assistance by UGC - New Delhi, India, under major research 
project is gratefully acknowledged. I also thank the CSIR, India, for the award of 
Senior Research Fellowship.

I acknowledge Mrs.KV.Kaveri, Mr.M.Palanisamy, Mr.V.Nagarajan and 
Mr.Arokiaraj for their assistance.

I thank M/s. Suri Associates, for the excellent typing, photography and neat 
execution of the thesis. I express my appreciation and thankfulness to Mr.Pethuraj, 
for his skillful drawings.

Finally, I wish to express my appreciation to my affectionate wife for her co-
operation and to my beloved parents and all family members for their everlasting 
love and affection.

(M.SEKAR)
