Publications in Scientific Journals

Satyanarayana, M., S. Veerabuthiran, D. Ramakrishna Rao, and B. Presennakumar, "Color rain on the west coastal region of India: Was it due to a dust storm?", Aerosol Science and Technology (USA) [In press].

Satyanarayana, M., S. Veerabuthiran, D. Ramakrishna Rao, and B. Presennakumar, "Multiwavelength lidar studies of aerosols, cirrus clouds and temperature of the atmosphere: First results from low latitude tropical station, Trivandrum (8°33'N, 77°E), India" communicated to Annales Geophysicae [under revision].

Veerabuthiran, S. and M. Satyanarayana, "Characteristics of cirrus clouds observed at a low latitude tropical coastal station, Trivandrum (8°33'N, 77°E) using lidar", Indian Journal of Radio and Space Physics [revised and submitted].

Veerabuthiran, S. and Satyanarayana, M. "Lidar observations on atmospheric dust transported from southwest Asia to Indian west coast station, Trivandrum (8.33°N, 77°E): A case study of color rain event occurred during July 2001", Indian Journal of Radio and Space Physics [In press].

Publications in Proceedings of Symposia/Workshop/Conferences

Veerabuthiran, S. and M. Satyanarayana, "One year climatological characteristics of cirrus clouds observed at a low latitude tropical station, Trivandrum " Bulletin of Indian Aerosol Science and Technology Association, 14, 80-83, 2002.

**Presentations in Symposia/Workshop/Conferences**

**Scientific/Technical Reports**

**Participation in Workshop/School**
