I express my immense gratitude to my Research Supervisor Dr. V. Thayalan, Professor and Head, Department of Linguistics for having opened the door of opportunity to do research under his guidance and even enthusiastic about the thesis and has given me unflinching courage to me during the period of study. He generously gave of his time to read and advised me on how to proceed in relation to several of research problems.

I am indebted to Dr. C.Shunmugom, Professor, Department of Linguistics. I express heartfelt thanks to him special mention should be made here as he also played a major part in rendering his help to my research oriented invaluable suggestions. I owe him more than could be expressed by word of acknowledgement note.

I sincerely and warmly thank Dr. C. Sivashanmugam, Professor, Department of Linguistics, presently working as Professor, University of Munich, Ethiopia who has helped me in giving suggestions I am immensely grateful for his interest and commitment.

I specially thank Dr. C. Sivakumar, Lecturer, Department of Linguistics for having spent his valuable time to consult.

I whole heartedly thank Dr. V. Jeya, Professor, Department of Tamil for giving me hope with great affection. It is my bound duty to thank her.
It is my bound duty to thank Dr. T. Muthukrishnan, Lecturer, Department of Educational Technology, for being the source for inspiration for me. His never-failing backup has made me carry out this task successfully. I owe him more than could be expressed by the words of acknowledgment note. I am grateful to him for his willingness to help me to undertake this thesis.

We cannot hope to convey the full extent of debts, but we will attempt to sketch the outlines of those that are the most central.

A special mention should be made about Dr. G. Janakiraman and Dr. K. Chidambaram here as they render timely help on many occasions and helped me in proof reading and giving moral supports and constant encouragement to successfully carry out this research task.

Special mention is made here as V. Mahalingam (Chemistry) played a major part in rendering his help in collecting data and assisting me in financial transactions and helping activities. I consider it is my pleasure to warmly thank my fellow researchers Mr. M.R. Mani, Dr. Brinda Ravikumar, Mr. A. Chandrabose, Mr. K. Rajasekar, Mr. Martin Mathivannan, Mr. David Wilson, Mrs. Shanthi and Mrs. Rathina Devi. I express heartfelt thanks to him. I owe them more than could be expressed by the words of acknowledgment note.
