PAPERS PUBLISHED IN JOURNALS

2. K.K.SURESH and P.R. DIVYA: “Construction and Selection of Single Sampling Plan through Quality Decision Region (QDR) and Limiting Quality Level” - Accepted for publication in the International Research Journal ACTA CINECIA INDICA.

PAPERS COMMUNICATED TO JOURNALS

1. Communicated to European Journal of Operational Research (EJOR) paper titled “Multiple dependent state sampling plan through Probabilistic Quality Region (PQR) for lot acceptance based on measurement data”.

2. Communicated to International Journal of Operations and Quantitative Management (IJOQM) paper titled “Construction and Selection of Single sampling Variables Plan through Decision Region”.

3. Communicated to FAR EAST JOURNAL OF THEORETICAL STATISTICS paper titled “Construction and Selection of Quality Interval Attribute Single Sampling Plan”.

4. Communicated to the international journal, Economic Quality Control (EQC) Germany, paper titled “Selection of Single Sampling Plan through Tangential Angle Plan”.

5. Communicated to Journal of Applied Statistical Science (JASS) USA, paper titled “Selection of Sampling Schemes indexed through Crossover Maximum allowable Proportion Defective (COMAPD) and Crossover MAAOQ (COMAAOQ)”.

6. Communicated to Journal of Applied Statistical Science (JASS) USA, paper titled “Designing Single Sampling Plan through Quality Decision Region (QDR) and Probabilistic Quality Region (PQR)”.

7. Communicated to International Journal of Pure and Applied Mathematical Sciences (IJPAMS), paper titled “Construction and Selection of Single Sampling Plan though Quality Decision Region (QDR)”.
8. Communicated to Reflections des ERA - Journal of Mathematical Sciences, paper titled “Designing Single Sampling Plan through Quality Decision Region (QDR) and certain quality levels”.
PAPERS PRESENTED IN NATIONAL OR INTERNATIONAL CONFERENCES
