ACKNOWLEDGEMENT

I record my deep sense of gratitude to Rev. Swami Atmaramanandaji Maharaj Secretary, Sri Ramakrishna Mission Vidyalaya, College of Education, Coimbatore, 641 020, who blessed me to succeed in this research work.

Research work is constructive and continuous process. It cannot be carried out alone, until it is guided and supported by a sincere and valuable person and in this regard the investigator is very much indebted to Dr. S. Rajaguru, Senior Lecturer in Education, Sri Ramakrishna Mission Vidyalaya, College of Education, Coimbatore, 641 020, whose sustained guidance, encouragement and inspiration were of immense importance to carry out the study.

I am highly indebted to Dr. N. Muthaiah, Principal, Sri Ramakrishna Mission Vidyalaya College of Education, Coimbatore, for providing necessary facilities in the department to carry out the present investigation and his invaluable suggestions for the study.

I would like to record my special thanks to Dr. M.N.G. Mani, Former Principal, Sri Ramakrishna Mission Vidyalaya College of Education, Coimbatore, for the inspirations that he imbibed in me from time to time during the period of investigation.
I am highly indebted to Mr. A. Sathyamoorthi, Senior Lecturer in English, Government Arts College, Coimbatore for his suggestion and motivation to complete the investigation successfully.

I would like to record my thanks to Mr. A. Vijayakumar, Senior Lecturer in Maths, Sri Ramakrishna Mission Vidyalaya Arts and Science College, Coimbatore for extending his support to complete the task successfully.

My sincere thanks to all the panel experts for reviewing the software for the CATL strategy, Package for EL strategy and for providing suggestions for perfection.

I would like to thank the Educational Officers, Coimbatore, who are kind enough to have permitted myself to do my research work and collect data. I am equally grateful to the Headmasters, teachers, students and others for their kind co-operation during data collection.

I am highly indebted to the subjects of the study for extending their cooperation to complete this work. Finally I would like to thank friends and family members for extending their support to complete this project successfully.

R. SUGUMAR
