Publications
LIST OF PUBLICATIONS

A) Journals- National and International Level

B) Conferences – National and International Level

6. P.Sumathi and Dr.V.S.Janakiraman “A Design framework for the adoption of Grid Computing for E-Governance Applications”, held at Krishna Engineering College, Coimbatore in the national conference held on 21\textsuperscript{st} and 22\textsuperscript{nd} of December 2006.

7. P.Sumathi and Dr.M.Punithavalli, “On the adoption of BPEL & Grid in the implementation E-governance applications” held at Ayyar Nadar Janakiammal College, Sivakasi in the national conference held on 7\textsuperscript{th} of January 2008.

8. P.Sumathi and Dr.M.Punithavalli, “Usage of Grid Resource Broker in the Implementation of E-Governance Applications” held at DJ Academy for managerial Excellence in the NCAC’08 national conference held on 19\textsuperscript{th} and 20\textsuperscript{th} of September 2008.

9. P.Sumathi and Dr.M.Punithavalli, “Efficient Advance Reservation Algorithm for the Exchange of Data in E-Governance Applications”, held at Rajalaksmi Engineering College, Chennai in the NCMIPMV’08 national conference held on 22\textsuperscript{nd} of December 2008.

10. P.Sumathi and Dr.V.S.Janakiraman, “On the adoption of Grid in the implementation E-governance applications” held at MES College of Engineering College, Trissur in the international conference held on 14\textsuperscript{th} and 15\textsuperscript{th} of December 2007.
11. P. Sumathi and Dr. V. S. Janakiraman, “Usage Grid in the implementation of E-Governance Applications” held at Langkawi, Malaysia in the ACST’08 international conference held on 2nd to 4th of April 2008.

12. P. Sumathi and Dr. M. Punithavalli, “Constructing a Grid Simulation for E-Governance Applications using GridSim”, held at Coimbatore Institute of Technology, Coimbatore in the ISSIS ’09 international conference held on 10th of January 2009.

14. P. Sumathi and Dr. M. Punithavalli, “Hybrid Architecture for the e-governance Applications using factual data” ICAC’09 International Conference on Advanced Computing to be held on 6th to 9th of August 2009.
