Acknowledgement

I am very much cheerful to present my Ph.D. Thesis entitled "Synthesis And Structural Studies On Polychelate Of Some Bis-hedenate Schiff Bases". The work is simply wonderful and interesting and memorable. I take this opportunity to express my sense of gratitude and indebtedness towards my guide Dr. A. S. Aswar, Reader, Department of Chemistry, Sant Gadge Baba Amravati University. For his valuable guidance, since advice and constant encouragement during the period of this work, it is because of him that this has been successfully completed to the best of my ability and satisfaction.

I am thankful to Dr. V. S. Jamode, Prof. and Head, Department of Chemistry, Sant Gadge Baba Amravati University, Amravati, for generally extending necessary facilities during the tenure of my work.

My sincere regards to Dr. N. S Bhave, Prof. Department of Chemistry, R.S.T.M. Nagpur University, Nagpur for their encouragement and cooperation.

In addition I would like to add my special thanks towards Dr. R. Prasad, Prof. and Head, School of Chemical Sciences, Devi Ahilya University, Indore for carrying out the catalytic activity of the complexes and I am also thankful to the Director SAIF, CDRI Lucknow for the elemental analysis. The Director SAIF, IIT Chennai for recorded reflectance spectra and The Director SAIF, Punjab University, Chandigarh for recording IR and 1H NMR spectra. I express my sincere thanks to Dr. P. A. Vadegaonkar and Ms M. V. Saraf, Department of Biotechnology, Sant Gadge Baba Amravati University, Amravati for screening antimicrobial activity of the compounds.

I am equally grateful and very much obliged to Dr. M. S. Hundal, Prof. and Head, Department of Chemistry, Guru Nanak Dev University, Amritsar and Dr A.R. Sarkar, Prof. and Head, Department of Chemistry, Kalyani University, Kalyani and Dr. D.K. Raval, Reader, Department of Chemistry, Sardar Patel
University, Valbhabh Vidhaya Nagar and Dr B.R. Arbad, Department of Chemistry, D.B.A.M.S University, Aurangabad for their timely suggestions and well wishes thought the work.

I acknowledge my thanks to Dr. G.N. Wankhede, Prof and Head, Department of Zoology, Sant Gadge Baba Amravati University for their hearty wishes.

I thank my co-workers and friends Dr P. R. Mandlik, Dr. P. G. Rohankar, Dr. S. G. Bhadange, Shri R. D. Deshmukhi, Shri K. D. Umale, Shri J.B. Devhade, Shri Maldure, Shri Ragdale, Ms. Dande, Ms. Badwaik, Ms. Joshi, Ms. Babrekar Ms. Kale, Dr. P. P. Deohate, Shri C.M. Wadatkar and Shri A.B. Natk for their best wishes during the progress of this work.

I would also like to thank Prin. Shri D. B Khambar for his keen interest and valuable suggestions at every stage of my research work.

The passage of acknowledgement will definitely remain incomplete without the acknowledgement to my parents. I am deeply indebted to resp. my mother Sau. Saralatai and respected my father Shri Damodarrao Bansod, sisters Shubhagi and Pranali and my respected grandfather Prof. R. K. Bijwe and Prin. Dr L.T. Gulhane and maternal uncle Prof. P. E. Ajmire encouragement during the hours of my dispersion.

I am grateful to the non-teaching staff of the Department Shri Suryawanshi, Shri Ingale, Shri Satao, Shri Killekar and Shri Narokar for their kind cooperation and support at all time.

Mr. Ashish D. Bansod
