ACKNOWLEDGEMENT
ACKNOWLEDGEMENT

I express my thankfulness, indebtedness and gratitude to the present research supervisor Dr. V. Subburam, Reader, Department of Environmental Sciences, Bharathiar University, for having critically gone through the thesis and for his valuable suggestions and encouragement for the successful completion of this thesis.

I wish to express my deep sense of gratitude and indebtedness to my former research supervisor, Dr.V.Gopal, (Retired, Professor and Head) Department of Environmental Sciences, Bharathiar University, Coimbatore-46, for suggesting this area of investigation, his deep involvement in this work and for his valuable guidance and constant encouragement.

I express my gratitude to Dr. P. Lakshmanaperumalsamy, Professor and Head, Department of Environmental Sciences, Bharathiar University, Coimbatore for providing the necessary facilities and constant encouragement. My thanks are also due to all the other Faculty members, Dr.C. Namachivayam, Dr. N. Balasubramanian and Dr. M.V. Usharani, for their kind help and encouragement.

I am thankful to the UNIVERSITY GRANTS COMMISSION, New Delhi, for awarding me teacher fellowship for a period of one year (1992-1993). My sincere thanks are also due to The Directorate of Collegiate Education, Madras, for permitting me to carry out this research work.

My thanks are due to the authorities of the Tamil Nadu Fisheries Development Corporation, Azhiyarnagar, Azhiyar, for providing me fish fingerlings and for their valuable suggestions in the maintenance of fish.
I owe my sincere thanks to the former principals, Miss. Latha Arunachalam and Mrs. Angeline Vasanthi and also to the present principal, Dr. Parvathy Rajagopalan, Government Arts College Coimbatore. I thank Dr. A. Shaik Dhawood, Head of the Department of Zoology, Government Arts College, Coimbatore, and my department colleagues for their help and understanding which facilitated successful completion of this thesis. I also thank Dr. Rathna Gopal, Department of Pharmacology, Coimbatore Medical College, Coimbatore, for her valuable suggestions.

I am thankful to all the research scholars of the Department of Environmental Sciences, for their kind help and co-operation during the course of my research work. I am extremely thankful to my research colleagues Mrs. N. Balambigai, M.Sc., M.Phil, Dr. K. Kamalaveni, Dr. S. Prabhakar, Mr. R. Babu, M.Sc., Mr. S. Sivakumar, M.Sc., Mr. P. Senthilkumar, M.Sc., Dr. P. Thangavel, Miss .D. Prabha, M.Sc., and Miss. Nithyanandi, M.Sc., for their kind help in this endeavor. My special thanks are due to Mr. K. Manohar and Mr. C. M. Sudakar, office staff of Environmental Sciences for their timely help.

I am pleased to acknowledge with thanks the librarian and other staff members of Bharathiar University, Government Arts College, Coimbatore, PSG Institute of Medical Sciences and Research, Coimbatore, Salim Ali Center for Ornithology and Natural History, Manonmaniam Sundaranar University, Madurai Kamaraj University, Anna University, Tamil Nadu Fisheries College, Tuticorin, for their kind help in the collection of relevant literature. In this regard my thanks are also due to Indian National Scientific Documentation Center for Science Information, Bangalore, ENVIS centre, Parangipettai, Honda Computer Center, M.S. Swaminathan Research foundation, Chennai and British Library Document supply center, United Kingdom. I express my thanks to Dr. M. Ramasamy, Department of Zoology, Government Arts College, Coimbatore, Dr. Edwin Krebs, University of Washington Seattle, Dr. Hanna Lutnika, Lublin and Dr. Michael Barry, Australia for their prompt response in making available their research publications which were of immense use to me.
My thanks are also due to Mr. N. Marudachalam, Mugil Data Systems, Coimbatore for his assistance in statistical analysis and Mr. S. C. Krishnamoorthy, B.Com, Kovai Computer Center, for his co-operation in the graphical conversion of numerical data.

I express my deep sense of gratitude and indebtedness to my family members for their patience and their ability to tolerate the inconveniences and difficulties caused by my frequent absence from family commitments and for their cooperation, which enabled me to complete this work successfully.
