Acknowledgement**

At first I would like to thank my supervisor **Prof. (Dr.) S.S. Sarangdevot**, Director, Computer Science and Information Technology Department, J.R.N.R.V. University, Udaipur (Rajasthan) – India, for giving me the wonderful opportunity to learn with his great encouragement, constructive suggestions and high support in productivity manner to my research. It is very difficult to say in words my gratefulness towards my supervisor for his continuously touch up with me in this research, it have been like a lighthouse during my research journey. I also want to thank for his endurance and support even in complex circumstances. Without **Prof. (Dr.) S.S. Sarangdevot**, who has a model to aspire for his rectitude, integrity and intellectual wisdom, this thesis would never have come to an end.

I would like to acknowledge my Co- Supervisor **Dr. Manish Tanwar**, Assistant Professor, B.J.S. Rampuriya Jain P.G. College, Bikaner (Rajasthan) for being on my dissertation defense key member. His invaluable comments and enlightening suggestions have helped improve the quality for this thesis.

Last but not least, I can never and enough words to express how grateful I am for the endless support of my mother Smt. Sushila Devi, my brother Mr. Sanjay Gaur my Jiju Mr. G.S.Sharma and my wife Anita Gaur. They have always provided me with unconditional love, and support. Without their faith in me, I could not have made it this far. May huge bless all of them, whoever participated with me in this research.
