ACKNOWLEDGEMENT

LIST OF TABLES

CHAPTER 1: INTRODUCTION ................................................................. 1-28

1.1 Education in Economic Literature
1.2 Education in India
1.3 Forms of Education
1.4 Extension Education
1.5 Education and Economic Development - Research Evidence
1.6 Approaches to Rural Development in India
1.7 Education and Agriculture in India
1.8 Objectives
1.9 Hypotheses
1.10 Design of the Sample
1.11 Sources of Data
1.12 Methodology
1.13 Significance of the Study
1.14 Limitations
1.15 Chapter Scheme

CHAPTER II: SOCIO-ECONOMIC PROFILE OF THE
STUDY AREA ...................................................................................... 29-51

A. PROFILE OF THE COIMBATORE DISTRICT

2.1 Natural Resources
2.2 Human Resources
2.3 Education
2.4 Extension Education
2.5 Workers Distribution
2.6 Agriculture
2.7 Industry
2.8 Trade and Commerce
2.9 Energy Sources
2.10 Finance
B. PROFILE OF THE SAMPLE BLOCKS
2.11 Developed Blocks
2.12 Backward Blocks
2.13 Developed and Backward Blocks - A Comparison

CHAPTER III: EDUCATION AND SOCIO-ECONOMIC CHARACTERISTICS

3.2 Education and Utilisation of Mass Media
3.3 Education and Age at Marriage
3.4 Education and Family Size
3.5 Education and Family Welfare Practices
3.6 Education of the Head and Children
3.7 Education of the Head and Drop-outs of Children

REFERENCES

CHAPTER IV: INEQUALITY IN EDUCATION AND DEVELOPMENT

4.1 Role of Literacy
4.2 Inequality in Education - Concept and Review
4.3 Review of Literature
4.4 Framework of Analysis
4.5 Results and Discussion
4.5.1 Gender Inequality
4.5.2 Regional Inequality
4.5.3 Literacy, Inequality, and Economic Development

REFERENCES
CHAPTER V : IMPACT OF EDUCATION ON AGRICULTURAL PRODUCTIVITY 120-175

5.1 Review of Literature
A. WORKER EFFECT, AND ALLOCATIVE EFFECT
5.2 The Models
5.2.1 Engineering Production Function
5.2.2 Gross Sales Value Production Function
5.2.3 Allocative Error Function
5.3 Results and Discussion
B. INNOVATIVE EFFECT
5.4 The Logit Model
5.5 Results and Discussion
5.6 Likelihood Ratio Test
References

CHAPTER VI : SUMMARY AND CONCLUSIONS 176-183

6.1 Summary of Findings
6.2 Policy Implications

APPENDICES i - xxxv

A Tables
B Procedure for Selection of Developed and Backward Blocks
C Classification of Farm Groups and Educational Levels
D Measurement of Variables
E Farm Household Survey - Model Questionnaire
F Map - Location of the survey area

BIBLIOGRAPHY
