Acknowledgement
ACKNOWLEDGEMENT

With profound gratitude and reverence I remember the inspiration I imbibed from my beloved guiding light Dr. P. Lakshmanaperumalsamy, Professor and Head, Department of Environmental Sciences, for his inspiring guidance, constant encouragement, valuable suggestions, meticulous planning, penetrating questions, thoughtful comments, constructive criticism, intellectual and fruitful discussions.

I am grateful to all the faculty members of the Department of Environmental Sciences, for their kind encouragement.

I owe my deep-seated gratitude and sincere thanks to Dr. I. S. Bright Singh, Reader, Department of Microbiology, and Dr. Rosamma Philip, Lecturer, Department of Marine Microbiology, Cochin University of Science and Technology, Cochin for their timely and devoted help and providing me the necessary facilities.

I express my heartfelt thanks to Dr. C. Esteve, Lecturer, Department of Microbiology and Ecology (Faculty of Biology), University of Valencia, Spain, for providing me the reference strains and scholarly advice and valuable suggestions.

My profound sense of gratitude is due to Dr. G. Vivekanandhan, Lecturer, Centre for Biological Sciences, KSR College of Arts and Science, Thiruchengode for his magnanimous support, innovative debate, unsparing help and keen interest in this study.

I am immensely grateful to Dr. D. Srinivasan, Leturer, Department of Biology, The University of South Pacific, Fiji, Dr. P.K.S.M. Rahman, Research Associate, Energy Sciences and Technology Department, Brookhaven National Laboratory,
New York, USA, Mrs. K. Shanthi, Lecturer, Department of Environmental Sciences, PSG college of Arts and Science Mr. M. Thangavel, Lecturer, Department of Microbiology, Sri Narayana Guru College of Arts and Science for constant encouragement and helpful discussions throughout the study.

I remember with heart felt thanks and cooperation by all my colleagues Mr. T.Suresh, Mr. Tha. Thayumanavan, Mr. P.M. Ayyasamy and Mr. S. Rajakumar, Research Scholars, Department of Environmental Sciences, Bharathiar University, Coimbatore.

I express my sincere thanks to Mr. S. Palaniappan, Kannadiputhur, for his untiring efforts in helping me to get samples.

I am short of words to express the love and cordial affection of my beloved parents, brother and my loved ones for their stimulation, encouragement and patience in all possible ways throughout the course of this study.

I thank the Indian Council of Agricultural Research (ICAR) for awarding the Senior Research Fellowship.

I am very glad to express my sincere thanks to all research scholars, students and office staffs, Department of Environmental Sciences and my friends for their help rendered in the success of my thesis.

I owe my sense of gratitude to ALMIGHTY for his blessings to complete my thesis successfully.

K. SAVITHAMANI
