ACKNOWLEDGEMENTS

With deep regards and profound respect, I express my deep sense of gratitude and indebtedness to my supervisor Dr. Vaishali G Ghorpade, Professor, Department of Civil Engineering, Jawaharlal Nehru Technological University Anantapur, for her inspiring guidance, emotional support, constructive criticisms and personal mentorship throughout the duration of this research work. I place on record that this work would not have been possible without her support and guidance.

Equally, I would like to express my sincere whole hearted gratitude to Dr. H.Sudarsana Rao, Professor and Rector, Jawaharlal Nehru Technological University Anantapur, for his guidance, suggestions and valuable support given to me throughout the period of my research study.

I express my sincere thanks to Prof. H.Sudarsana Rao, Vice Chancellor I/C, JNT University Anantapur, Prof. S.Krishnaiah, Registrar, JNT University Anantapur and Prof. S.V. Satyanarayana, Director, Research & Development, JNT University Anantapur, Ananthapuramu for extending their cooperation in pursuing my research work.

I would like to thank Dr. K. Vijay Kumar Reddy, Professor in Mechanical Engineering, JNTUH College of Engineering, Hyderabad for his help, unconditional support and encouragement during my research work.

I would like to acknowledge and appreciate SEST, Central University of Hyderabad and Department of Nano-Technology JNTU Hyderabad for giving me permission to utilize their laboratory facilities.

I extend my sincere thanks to Mr. B. Chandrashekar, Director, Square Mag, Hyd., for his guidance and suggestions regarding magnetism and magnetic
instruments.

I would also like to thank Nano-Technology research scholars M Rajender and Charan for their support in Nano technology laboratory. I am grateful to thank Mr. D. Srinivasa Reddy and Mr. C.Ramnath Reddy who has provided me the concrete laboratory assistance.

I would like to specially acknowledge the unconditional love and sacrifices of my better half and my beloved son. I also thank my parents for their blessings.

Last, but not the least I would like show my gratitude towards all those who have helped me directly or indirectly during the course of this research work. Above all, I bow my head before the Almighty, for the blessings and strength bestowed upon me and giving me the courage to face the vicissitudes of life.

B. Siva Konda Reddy
