Acknowledgement

First and foremost, I owe my whole-hearted thanks to Lord Almighty, for his abundant blessings.

I owe my wholehearted gratefulness to my esteemed guide Dr. K. Natarajan, Professor and Head, Department of Chemistry, Bharathiar University, Coimbatore, for his encyclopedic thoughts and encouragements which had given me inspiration for research.

My sincere thanks to Dr. K. J. Rajendra Prasad, Dr. S. P. Rajendran, Dr. P. S. Mohan and Dr. S. Govindarajan, Faculty members, Department of Chemistry, Bharathiar University, for their useful suggestions and their kind help they had rendered to me throughout the course of this work.

With pride and pleasure, I thank my seniors Dr. N. Jayakumar, Dr. V. Chinnusamy, Dr. G. Muthusamy, Dr. R. Ramesh, Dr. N. Dharmaraj and Dr. P. Visuwanathamurthy for their enlightening discussions and their timely help during my research.

I feel proud to thank my Beloved Friends, Colleagues and Juniors for their kind cooperation and maintaining good environment to carry out this research work in the laboratory.

It is my pleasure to express a deep sense of gratitude and indepthness to Prof. PR. Athappan and Dr. G. Rajagopal, School of Inorganic Chemistry, Madurai Kamaraj University, Madurai for their immeasurable help in electronic spectral and electrochemical data.
I express my sincere thanks to Dr. J. Subramanian, Professor and Head, Department of Chemistry, Pondicherry University, Pondicherry for his help in providing electron paramagnetic resonance spectral data.

I sincerely thank Sophisticated Instruments Facility (SIF), Indian Institute of Science, (IISc.), Bangalore for providing nuclear magnetic resonance spectral results. Also, I extended my thanks to the Faculty members and Technicians, Department of Organic Chemistry, IISc., Bangalore and Dr. S. Rastogi, Deputy Director, Central Drug Research Institute (CDRI), Lucknow for their help in providing elemental analysis results.

It is my privilege to express my gratitude to Dr. P. Lakshmanaperumalsamy, Professor and Head, Department of Environmental Sciences, Bharathiar University, Coimbatore and The Director, Haffkine Institute for Training, Research and Testing, Mumbai for their zealous help in biocidal studies.

I sincerely thank the Technicians and Office Staffs, Department of Chemistry, Bharathiar University, for their kind help to complete my research work.

I express my sincere thanks to all Faculty members in the Department of Mathematics and Department of Physics, Bharathiar University, Coimbatore for their help and assistance.

I am thankful to Mr. R. Pethurajan, Junior Drafting Officer, TamilNadu Agricultural University for his valuable help in creative draftsmanship.

Finally, I am very grateful to my Family members, Relatives and Well-wishers for their love, encouragement and moral support for pursuing higher studies.

T. Daniel Thangadurai
