Certificate

This is to certify that the thesis entitled 'Magnetohydrodynamic Stability Of Natural Convection Flows With Application To Thermosyphons And Hydromagnetic Stability Of Flow Between Accelerating Parallel Walls' is a record of original work done by T. Arunachalam in the Department of Mathematics as a Full-Time Research Scholar during the period of study from 1988 to 1995 under my guidance and supervision for the award of the Degree of Doctor of Philosophy in Mathematics. I further certify that the research work has not previously formed the basis for the award of any other Degree or Diploma or Associateship or Fellowship or other similar title to any candidate of this or any other University.
