ACKNOWLEDGEMENT

I have no adequate words to express my deep sense of feeling and my heart full thanks to my supervisor Dr. M. SUBRAMANIAN, M.A., M.Phil., Ph.D., Reader in economics, Gobi Arts and Science College (Autonomous), Gobichettipalayam for his constructive and valuable guidance. True to the sprit of scholarship, he encouraged free and frank discussion. But for his inspiration and initiative with active involvement at each and every stage of the research work, the endeavour would not be in its present shape.

I am very much grateful to Principal, Gobi Arts and Science College (Autonomous), Gobichettipalayam for providing all facilities in the college to complete the research work successfully.

I am also thankful to the Head of the Department and other Eminent Faculty of Economics Department for their kind approach and general encouragement.

I acknowledge the help rendered by Librarians of Gobi Arts and Science College (Autonomous), Gobi, Tamil Nadu Agricultural University, Coimbatore, Bharathiar University, Coimbatore and General Library, Coimbatore in providing the required literature for the study. Thanks are due to them.
I am failing in my duty if I have not acknowledged the co-operation extended by the gobar gas adopters, the respondents of the present study. I am very much thankful to them for sparing their precious time in responding to my interview schedule and providing the required information for the study.

I am thankful the Block Development Officer of Avinashi Block and extension staffs in providing the required information with regard to the installation gobar gas plants in Avanashi Block. I am also grateful to the officials of bio energy department in the Coimbatore Collectorate for providing useful technical information on gobar gas plants for the estimation of different values under study.

I dedicate the Thesis to the soul of my loving parents Major Dr. S.R Aravindha Babu and Mrs. V.A. Chinnammu Amma, on whose initiative and inspiration, the present study has been undertaken.

My great thanks are due to my family members and my friends for their moral support to complete this thesis successfully.

Finally, I thank Mr. Nethaji for his help in computer processing of the collected data, the NIIT, Gobi for their neat, timely and precision printing of the manuscript and Sakthivel Xerox, Gobi for their instant Xeroxing.
