ACKNOWLEDGEMENT

The author is deeply indebted to Dr. R. NADARAJAN, Professor and Head, Department of Mathematics and Computer Applications, PSG College of Technology, Coimbatore, for having guided this research programme spending his valuable time with the author for fruitful discussions and for offering scholarly advice, unstinted encouragement and helpful suggestions at every stage of this research project.

Special thanks are due to the University Grants Commission, New Delhi, Government of India, and Government of Tamil Nadu, for sponsoring the author to do this research programme.

The author is very much grateful to Dr. S. Vijayarangan, Principal and Dr. P. Radhakrishnan, Former Principal, PSG College of Technology, for their generous offer of all the needed facilities and constant encouragement.

The author wishes to express his profound sense of gratitude to the esteemed Management of the PSG Institutions for providing all the facilities to carry out this research programme.

The author sincerely thanks the esteemed Management of Ayya Nadar Janaki Ammal College and Dr. A. Pownraja, its former Principal and Dr. G. Sivasubramanian, Principal, Ayya Nadar Janaki Ammal College, Sivakasi, for encouraging him to register for a higher research programme.

The author's thanks are also due to all the Staff members of the Department of Mathematics and Computer Applications, PSG College of Technology, and his colleagues in the Department of Computer Science and Information Technology, Ayya Nadar Janaki Ammal College, Sivakasi, and Mr. V. Venkatesh Babu in particular for their help to carry out this research.
Thanks are also due to Mr. A. Muthukumar, Assistant Professor in Computer Science and Engineering, Kumaraguru College of Technology, Mr. C. John Victor, Retd. Professor, Mr. V. Sankaranarayanan, Lecturer, Department of English, Mr. RM. Periakaruppan, Lecturer in Mathematics and Computer Applications, and Mr. B. Suresh, Research Scholar in Computer Science, MCA Dept, PSG College of Technology, for sharing their knowledge regarding software development and correcting this thesis.

The author would like to thank his wife Mrs. D. Jeyarani, and his son Master D. G. Kishore, who always energize him with their love, understanding, and support. The author is also indebted to his parents Mrs. & Mr. D. Devaraj for their constant encouragement.

Finally, all thanks and praises to God Almighty for guiding and blessing the author in this endeavour.
