The author is very grateful to his guide Dr. R. ARUMUGANATHAN, Professor, Department of Mathematics and Computer Applications, PSG College of Technology, Coimbatore, for his inspiring guidance, constant encouragement and constructive suggestion throughout this research work. The motivation rendered by him in choosing the present work and his full fledged support for completion of this research work needs special mention.

The author expresses his sincere thanks to Dr. R. NADARAJAN, Professor and Head, Department of Mathematics and Computer Applications, PSG College of Technology, Coimbatore, for his valuable suggestions, co-operation, encouragement and for providing necessary facilities.

The author expresses his sincere and heartfelt thanks to Dr. R. RUDRAMOORTHY, Principal, PSG College of Technology and Polytechnic College, Coimbatore and to Dr. S. VIJAYARANGAN, former Principal, PSG College of Technology and Polytechnic College, for their kind and generous offer to use all facilities to complete this programme.

The author wishes to express his sincere thanks and heartfelt gratitude to Dr. G.V.KRISHNA REDDY, Professor and Head (Retd.), Department of Mathematics and Computer Applications, PSG College of Technology and Polytechnic College, Coimbatore, for his encouragement to carry out this work successfully.
The author wishes to express his deep sense of appreciation and thanks to
Dr. M. SENTHIL KUMAR, Senior Lecturer, Department of Mathematics and Computer
Applications, PSG College of Technology, Coimbatore, for the commendable help in
getting the numerical results. The author thanks his research colleagues
Dr. S. JEYAKUMAR, Mr. M. HARIDASS, Dr. P. SENTHIL KUMAR and
Ms. A. SENTHIL VADIVU for useful discussions and interactions on this research work.
The author extends sincere thanks to Ms. P. SASIKALAMANI, Senior Lecturer,
Department of English, for helping him in improving the English language in the present
work.

The author wishes to thank all staff members of the Department of Mathematics
and Computer Applications, PSG College of Technology, Coimbatore, for their kind
co-operation, suggestions and useful discussions.

The author owes his special thanks to his members of family especially his
mother Mrs. M. Lakshmi, his wife Mrs. B. Mathivathanam and his daughter
Miss. B. Sandravadhana, who have always been a source of inspiration to him
throughout his study of research work.
