ACKNOWLEDGEMENTS

The present work would not have been possible without the help, encouragement and support of many persons whom I wish to acknowledge with gratitude.

Words perhaps would fail to express the gratitude I owe to my esteemed guide Dr. S. Benjamin Christopher, Reader, Department of Commerce, N. G. M. College for an opportunity I had to work under his masterly guidance. His perpetual energy, enthusiasm and integral view on research and his vision have made a deep impression on me. His logical way of thinking has been of great value. He is always accessible and willing to help. As a result, research life became very pleasant and rewarding. It would have been impossible for me to complete this thesis without his constant and inspiring guidance and valuable suggestions at every stage of this thesis. I would like to thank his family members as well for their support.

I wish to thank Dr. B. K. Krishnaraj Vanavarayar, President, N.G.M. College, for providing me the facilities to carry out my research work in this esteemed institution.

It is my duty to thank Mr. M. Balasubramaniam, Secretary, N.G.M. College for his unstinting support during the course of my research work.

Sincere thanks go to Dr. N. Rajakumar, Principal, N.G.M. College, for providing a conducive climate for the study.

I am very grateful to Dr. P. Subramanian, Reader and Head, Department of Commerce, N.G.M. College, for his constant encouragement and support.

I can never adequately thank Sri. S. K. Kalyanasundaram, Former Secretary, N.G.M. College, who permitted me to take up research work.

Words can never be adequate to express my deep sense of gratitude to Brahma Guru Prof. M. Prasad Kumar, Professor-Administration, Kumaraguru College of Technology, Coimbatore (Former Principal, N.G.M. College.). His words of inspiration motivated me much.
My sincere thanks are to Dr. N. Ganesan, Reader, Department of Commerce, with whom I have collaborated in developing the synopsis of my thesis. His technical insights into my synopsis are invaluable.

I am very much thankful to my department colleagues Prof. P. Manickam, Dr. S. Mohan, Dr. P. Maruthu Pandian, Dr. K. Sirajuddin, Dr. P. Bruntha, Mr. R. Manikandan and Ms. S. Shanmugapriya for their timely help and support in completing this work.

Dr. R. Nagarajan, Lecturer in Economics, PSG College of Arts and Science, Coimbatore and Mr. R. Velmurugan, Lecturer in Commerce, N.G.M. College deserve special appreciation for their timely help.

I am grateful to Dr. Debasish Sur, Reader and Head, Department of Commerce, University of Burdwan, West Bengal. He willingly came forward to enlighten me on the tools of analysis used in the study.

I shall forever cherish the encouragement given by Dr. R. Ramanathan, Former Registrar, Manonmaniam Sundaranar University, Tirunelveli. He has been a great source of encouragement all through my research work.

I am especially grateful to my revered teachers Prof. E. Gordon, Former Professor and Head, Department of Commerce, ANJA College, Sivakasi, Dr. S. Sudalaimuthu, Professor and Head, Department of Corporate Secretaryship, Alagappa University, Karaikudi, Dr. SM. Chokalingam, Professor and Head, Department of Commerce, Annamalai University, for their advice and suggestions to carry out my work. It is they who instilled in me the spirit of research.

I would like to profusely thank my uncle Er. T. Ramakrishnan, USA, and my sister-in-law Dr. Sukirtha Ramakrishnan, USA, for sending the required reference books and articles.

Thanks are due to Dr. R. Janardhanam, Professor, Department of Civil Engineering, University of North Carolina, Charlotte, USA, for providing information which I could not obtain elsewhere.
Special thanks are due to Ms. R. Subathra, Deputy Librarian, Indian Institute of Management, Bangalore, Mr. R. Sivakumar, Librarian, Learning Resource Centre, PSG Institute of Management, Coimbatore, Ms. R. Lalithabai, Librarian, G.V.G. Visalakshi College for Women, Udumalpet and Mr. R. Ranganathan, Librarian, Sri Saraswathi Thiyagaraja College, Pollachi, for their help in collecting data and literature.

My sincere thanks are due to Prof. M. Suresh, Assistant Professor in Statistics, Tamil Nadu Agricultural University, Coimbatore, for his guidance in statistical analysis.

I am grateful to Mr. M. Mangala Pradhaban, Fluency Center, Pollachi for going through the manuscript.

I wish to thank Mr. C. Kamalakannan, Kumaran Computer Centre, Coimbatore, for the neat execution of the thesis.

My deep gratitude goes to my parents Dr. K. Lakshmanaswami and Smt. L. Saraswathi and family members for their abiding love and support throughout my life. I am indebted to my daughter Ms. R. Meera, the joy of my life, for her unfailing support and sacrifices she made.

This research work would not have seen the light of the day but for the blessings of the Almighty. I submit my pranams to the lotus feet of the Almighty.
