ACKNOWLEDGEMENT

This Ph.D. thesis includes my research work in the Indian Institute of Integrative Medicine (CSIR-Jammu, INDIA). Although I am the person carrying out the work, I must express my appreciation words to those people who help and supported me in my research and life, especially my family, promoters, colleagues and good friends.

I am and forever will be grateful to my mentor Dr. Subhash Chandra Taneja, Chief Scientist, IIIM Jammu for his advice, constant encouragement over years and insightful guidance. I feel extremely fortunate to be counted as one of his students. With his enthusiasm and sincere efforts to explain things clearly and simply, he made research very easy for me, without which I would have been lost. He is the most important person who helped me in all the ways during the Ph.D. He is an optimistic in science as well as in daily life. His sense of patience, wit, cheerful temper and optimistic attitude are few qualities, which will continue to inspire me in all sphere of my life. His attitude of encouraging independent thinking has always stood me in good stand. I always feel proud and grateful to be associated with him.

I am extremely thankful to Dr. Bhahwal Ali Shah, who helped me always at my difficult time. He is very calm and possesses a positive attitude in dealing with scientific problems. He provided me the inspiration and mental toughness to stand against all odds and made things look easier. I will always be thankful to him for the valuable suggestions, encouragement and above all his friendly and brotherly attitude. I would never have been in this exciting field of research without his constant encouragement.

I express my sincere thanks to Dr. Ram Vishwakarma (Director) and Dr. G. N. Qazi (Ex Director) IIIM, Jammu for providing necessary facilities to carry out the research work at this institute.

I am highly thankful to GNDU, Amritsar particularly the Chemistry Deptt. for giving me a chance to get registered under such an esteemed university.

I also express my sincere gratitude towards Prof. B. S. Randhawa (HOD) Prof. Swapandeep Singh Chimni, Dr. Pankaj, Mr. Akshay, Mr. Sohail, all staff members, scholars and students of chemistry Depttt. of GNDU.

I will always be grateful to Dr. S. Koul, Dr. A. K. Tripathi, Dr. P. L. Sangwan, Dr. Debaraj Mukherjee, Sh. Samar Singh, Sh. Budh Singh for their wholehearted cooperation and moral support.

I have also benefited by advice and guidance from Dr. J. L. Koul who also always kindly grants me his time even for answering some of my unintelligent questions about beam lines and synchrotron.

It gives me a great pleasure to express my gratitude to my colleagues and lab workers; Ashish Pratap Singh, Dr. Pankaj Gupta, Mr Manjeeet, Dr. Venkat Reddy, Dr. Niranjan, Mr. Mr. Sanjay, Imran Khan, Ms. Renu, Ms. Rajbir, Mr. Rajeshwar, Mr. Praveen, Mr. Saleem, Mr. Alam, Mr. Nisar, Mr. Arbind, Mr. Ramesh, Mr. Shekar, Ms. Simi, Ms. Rajni, Mr. Subhash-Sr, Mr. Subhash-Jr, Mr. Nirmal, Smt. Asha, for their positive attitude and co-operation.
I am very much thankful to my best friend Mr. Mushtaq, and Mr. Rouf for their cooperation throughout my Ph.D.

I owe a lot to Mr. Sudesh Kumar Ganjoo, who has stood beside me and have seen me go through different phases of my personal as well as professional life.

My sincere thanks go to my senior Dr. Shailendra Dubey, Mr. Sandeep Kanwar, Dr. Neerja Kalara, Mr. Jitendra Sharma, Anuj Sharma for their kindness, timely help and support throughout my Ph.D.

Special thanks to my friends Mr. Amit Tiwari, Mr. Shravan Mishra, Mr. Abhishek Tiwari, Mrs. Vasu Gupta, Mr. Ramesh Joshi, Dr Himani (FRI Dehradun) and Mr. Anand Mishra (IICT Hyderabad), for their prayers and cordial support during the period of time.

I would like to thank members of Instrumentation section, Dr. R. K. Khajuria, Smt. Basant Purnima, Mrs. Dipika Singh, Dr. Arvinda, Mr. R. K. Gupta, Er. Rajneesh Anand, Mr. Vijay, Mr. Vikram and Mr. Parshotam for their help. The assistance rendered by Mr. Ajit Prabhakaran (Library) and administration is gratefully acknowledged.

I am also thankful to chemical supplier Mr. Vikas, Mr. Vishal, Mr Sumit and Mr. Kuldeep for their support.

I would like to thank my dearest friends (Dr. Sushil Tripathi, Dr. Neeraj Shakya, Mr. Ravi Pratap Singh and Dr. Ritu) for always encouraging me and discussing about my research. Especially Sushil and Ritu for helping me get through the difficult times, and for all the emotional support, camaraderie, entertainment, and caring you provided, Dr. Neeraj, and Ravi for always being very supportive and compassionate.

I wish to thank my entire extended family for providing a loving environment for me. Especially my grandfather (Sh. Ramchandra Upadhayay), grandmother (Smt. Dhundey), my uncles (Dr. Abhayjeet, Adv. Ashok, Dr. Vinod and Santosh), my brothers (Shivam, Vipin, Prashant, Vishal, Subham, Akash, Chhotu, Yasharth and Ankit) and all my family members as it’s not possible to write the names for all of you for always being very supportive and caring.

I invariably fall short of words to express my heartfelt gratitude to my mother (Meena), my unique loving and affectionate Wife (Nutan), my two good-looking, lovely Son (Aman and Naman) for their blessings, love, affection and inspiration, without which it would have been impossible to go ahead in my research career with such a pace and quality. I am indebted to my late father Sh. Prem Nath Upadhayay, who has been my inspiration right from the beginning. Had Papa been alive, he would have been the happiest person to see me with this academic degree (May Almighty provide peace to his soul).

Last but not the least, the financial support provided by UGC, India as a Research Fellowship is gratefully acknowledged.
