ACKNOWLEDGEMENT

It is with a deep felt sense of gratitude I acknowledge the opportunity given to me by the members of the Kongu Vellalar Institute of Technology Trust, in general, and Thiru.M.N.Ramasamy, Correspondent, Kongu Engineering College, in particular, to undertake this research.

I profoundly thank Dr.A.M.Natarajan, Principal, Kongu Engineering College for his unstinted encouragement and offer of facilities that helped me to complete the work in time.

Dr.A.Tamilarasi, Assistant Professor of Mathematics, Kongu Engineering College, was my learned guide. But for her able guidance and constant supervision this research work would not have been possible. I register my sincere indebtedness to her.

Next, I thank Professor C.Duraisamy, Head of the Department of Science and Humanities, Kongu Engineering College, who rendered me all possible help to carry out this research work. I should like to place on record all the help and encouragement extended to me by the other members of the Department.

A special mention should be made of the expert counsel extended to me by Dr. G.Balasubramanian, Head of the Department of Mathematics, Periyar University. My thanks are due to him.
