ACKNOWLEDGEMENT

This Ph.D. thesis includes my research work in the Indian Institute of Integrative Medicine (CSIR-Jammu, INDIA). During my research work, I have been accompanied and supported by many people. It is a pleasant aspect that I now have the opportunity to acknowledge with sincere respect, my deep sense of gratitude for all those who have been supportive in bringing this thesis to completion. First and foremost, I would like to thank the ever so giving almighty God and my parents from whom all my blessings flow.

With due respect, I earnestly express my extreme sense of indebtedness to my ideal, most learned and worthy Dr. Subhash Chandra Taneja, Ex. Chief Scientist, IIM Jammu for introducing me to this exciting field of science and for his dedicated help, advice, inspiration, encouragement and continuous support over years and insightful guidance. I feel extremely fortunate to be counted as one of his students. With his enthusiasm and sincere efforts to explain things clearly and simply, he made research very easy for me. He is the most important person who helped me in all the ways during the Ph.D. His sense of patience, wit, cheerful temper and optimistic attitude are few qualities, which will continue to inspire me in all sphere of my life. His attitude of encouraging independent thinking has always stood me in good stand. I always feel proud and grateful to be associated with him.

I am also extremely indebted to Dr. Bhaskar Ali Shah, Scientist, IIM Jammu, without whose invaluable guidance, kind co-operation, incisive criticism, deep faith and dynamic assistance, the present work would not have seen the light of this day. In spite of being my co-supervisor, his friendly approach and forbearance has been a constant source of inspiration and vital encouragement. When my morals ebbed and enthusiasm waned, he always helped me getting out of it, a feat that can never be paid back in feelings or words. I can only say a proper thanks to him through my future work and a sincere gratitude to him.

I express my sincere thanks to Dr. Ram Vishwakarma, Director, Indian Institute of Integrative Medicine, Jammu for providing necessary facilities to carry out the research work at this institute.

I am highly thankful to Guru Nanak Dev University, Amritsar particularly the Chemistry Department for giving me a chance to get registered under such an esteemed university.

I also express my sincere gratitude towards Prof. B. S. Rana, (Head of Department), Prof. S. S. Chitnani and all the staff members, scholars and students of chemistry Department of GNDU.

I will always be grateful to Dr. S. Koul, Dr. J. L. Koul, Dr. A. K. Tripathi, Dr. P. L. Sangwan, Dr. Debaj Mukherjee, Dr. Naveed Qazi, Dr. Budh Singh, Dr. Asha Chaubey, Dr. Syed Riyaz Ul Hassan, Dr. Abid Hamid Dar, Dr. Sashi Bhushan, Dr. Palwinder Pal Singh, Dr. Ajai Parkash Gupta, Dr. Anil Kataria, Dr. Sandeep Jaglan, Mr. Samar Singh Andotra, Mr. J.
