1 - 34
PART B:

Rationale for Economic Co-operation. 26-30
a) Cultural and Political Conditions. 30-31
b) Agricultural, Industrial and Trade Structure. 32

c) Volume of Trade. 32-33
d) Existing Agreements. 34

Chapter II:

Physical Features of India and Arab Oil Exporting Countries. 35-960

i) Geographical Area of India and Arab Oil Exporting Countries. 35-36
a) Indian sub-continent. 37-40
b) Arab Oil Exporting Countries. 40-53

ii) Requirements for Economic Co-operation. 53-56

iii) Size of Population of India and Arab Oil Exporting Countries. 56-58

iv) Per capita income. 58-59

v) Political and Cultural Differences. 59-60.

Chapter III:

Agricultural Structure of India and Arab Oil Exporting Countries - Comparison and Analysis. 61-93

i) Importance of Agriculture in India and Arab Oil Exporting Countries. 62-69

ii) Agricultural Production in India and Arab Oil Exporting Countries. 69-71

a) Agricultural Production in India. 71-75

b) Agricultural Production in Arab Oil Exporting Countries. 75-93
Chapter IV:

Industrial Structure of India and Arab Oil Exporting Countries: A comparative study.

(i) Industrial Structure of India and Arab Oil Exporting Countries: 93-125

(ii) Mining sector: 125-131

Chapter V:

Foreign Trade of India and Arab Oil Exporting Countries: A comparative and analytical study.

(i) Trade

(i) Volume of Trade of India and Arab Oil Exporting Countries: 133-135

(ii) Trade between India and Arab Oil Exporting Countries: 135-143

(iii) Exports and Imports between India and Arab Oil Exporting Countries: 143-159

(iv) Trade Structure of Agricultural and Industrial goods in India and Arab Oil Exporting Countries: 159-160

(v) Trade Structure of Agricultural goods in India and Arab Oil Exporting Countries: 160-163

(b) Trade Structure of Agricultural goods in Arab Oil Exporting Countries: 164-167

(c) Trade Structure of Industrial Goods in India and Arab Oil Exporting Countries: 168-176

(v) Important Commodity Exports and Imports of India and Arab Oil Exporting Countries: 176-177

(a) India’s Important Commodity Exports and Imports: 177-181

(b) Important Commodity Exports and Imports of Arab Oil Exporting Countries: 182-194

Chapter VI:

Balance of Trade and Payments systems in India and Arab Oil Exporting Countries:

(a) Exchange Rate Systems in India and Arab Oil Exporting Countries: 219-223
b) Payments Systems between India and Arab Oil Exporting Countries.

Chapter VII:

Agreements between India and Arab Oil Exporting Countries: A Model for Economic Co-operation.

i) Existing Agreements between India and Arab Oil Exporting Countries.

ii) Joint Industrial Ventures and Consultancy Services.

a) Existing Joint Industrial Ventures between India and Arab Oil Exporting Countries.

b) The Construction of Projects and Consultancy Services.

c) Clearing Union.

Chapter VIII:

Areas of Economic Co-operation between India and Arab Oil Exporting Countries.

a) Cultural Exchange Programmes.

b) Research Programmes.

c) Training and Education.

d) Monetary Co-operation.

e) Trade Agreements.

i) Scope for Joint Industrial Ventures, between India and Arab Oil Exporting Countries.

ii) Scope for Consultancy and Construction Services between India and Arab Oil Exporting Countries.

Chapter IX:

Findings and Recommendations.

a) Findings.

b) Recommendations.
