Acknowledgment

First and foremost, I express my heartiest and deep sense of gratitude, indebtedness, profound etiquette and sincere thanks to my Principal Supervisor, Dr. Amitava Paul, Associate Professor and Head, Department of Crop Improvement, Horticulture and Agriculture Botany (CIHAB), Palli Siksha Bhavana, Visva-Bharati, Sriniketan for his meticulous supervision, scholastic guidance, sustained inspiration, valuable advice and encouragement throughout the course of investigation and preparation of this manuscript.

I extend my sincere regards and heartiest gratitude to my Co-Supervisor, Dr. P.C. Lenka, Professor (Fruit Science) and Director Planning, Monitoring and Evaluation, OUAT, Bhubaneswar for his valuable suggestions and constant guidance during the entire course of investigation. I attribute the level of my Ph.D. degree to his encouragement and effort and without him this thesis, too, would not have been completed or written.

I would like to convey my sincere regards and pronounced gratitude to Prof. P. S. Munsi, Principal, Palli Siksha Bhavana and other faculty members of CIHAB, Palli Siksha Bhavana, Visva Bharati, Sriniketan for their support, cooperation and encouragement throughout the course of my study.

I highly obliged to Prof. S. S. Nanda, Dean, Extension Education, O.U.A.T. Bhubaneswar for allowing me to continue my Ph.D. study at Palli Siksha Bhavana (Institute of Agriculture), Visva-Bharati.

With a deep sense of gratitude and zeal, I extend my warmest thanks to Dr. Swaranalata Dash, Assistant Professor, Plant Breeding and Genetics, OUAT, Bhubaneswar for her valuable suggestions and cooperation in carrying out the work.

I owe indebtedness to Dr. Mohan Pattanaik, Retired Professor, Department of Plant Breeding and Genetics, Dr. S. K. Pattanayak, Professor and Head, Department of Soil Science and Agricultural Chemistry, OUAT, Bhubaneswar, Dr. M. Nedunchezhiyan, Principal Scientist, CTCRI, ICAR, Bhubaneswar for extending their generous help during my research work.

I express my ecstatic and delighted thanks to Jagannath Bhai, Sangram Bhai, Panigrahi Sir, Manasi Apa, Deepak, Debasish, Sanjay babu, Pati babu, Pradeep, Jisu for their continuous inspiration and encouragement rendered throughout the course of investigation.
I would pay my Zenith regards and foremost devotions to my Badabapa, Badamaa, beloved parents, Babulabhai, Dei, Bunubhai, Mana apa, Bulu manu, Milu Main, Gulu Mamu for their incipient blessings and inspiration that has actually helped me in shaping my career and brought me to this stage of success.

My sincere thanks to A. Kar for extending his helping hands voluntarily during the investigation and preparation of the manuscript of the thesis.

I express love and affection to my only brother Situn, brother-in-law Babu, Sister-in-law, Purabi, Rommy for their moral support and encouragement in each and every step of my life.

I own a special thanks to my beloved husband, my daughters Neha and Juhi for their untiring and unstinted support and love that enabled me to bring this task of fruiting.

I find myself short of words to write about my mother-in-law, whose noble soul in the heavens guided me to approaching the goal.

Last but not the least, I am thankful to Almighty God whose blessing in disguise made it possible to complete my doctorate programme against of all odds within the stipulated time.

Srniketan
