ACKNOWLEDGMENT

This thesis arose in part out of years of research that has been done since I came to Prof. Anamik Shah’s group. By that time, I have worked with a great number of people whose contribution in assorted ways to the research and the making of the thesis deserved special mention. It is a pleasure to convey my gratitude to them all in my humble acknowledgment.

In the first place, I would like to record my gratitude to Prof. ANAMIK SHAH for his supervision, advice and guidance from the very early stage of this research as well as giving me extraordinary experiences throughout the work. Above all and the most needed, he provided me constant encouragement and support in various ways. His truly scientific intuition has made him as a constant oasis of ideas and passions in science, which has exceptionally, inspire and enrich my growth as a student, a researcher and a scientist want to be. I am indebted to him for more than he knows.

I am very thankful to the faculties of Department of Chemistry especially, Professor and Head Dr. P. H. Parasania, Prof. V. H. Shah, Dr. H. S. Joshi, Dr. S. H. Baluja, Dr. M. K. Shah, Dr. Y. T. Naliapara, Dr. U. C. Bhoya, Dr. R. C. Khunt, Dr. Falguni Karia and all nonteaching staff for their encouragement and ever green support.

The Department of Chemistry, NFDD Centre and Centre of Excellence has provided me the laboratory support and necessary instrumentation facility required for scientific work to complete my thesis. I am grateful to University
Grants Commission (UGC), New Delhi for BSR fellowship.

Many thanks go in particular to Dr. Bipin Pandey. I am much indebted to Rajesh Kakadiya for his valuable advice in scientific discussion as well as synthetic part of this thesis. I would like to thank Denish Viradiya and Vipul Kotadiya for their constant help and cheerful company. I would also acknowledge Faraz, Parth, Jayendra, Sabera, Prachi, Dipti, Rupali, Vishwa, Krunal, Ashish, Hardik, Himanshu, Yashvantsinh, Ravi, Madhavi, Pinakin, Hetalbaa, Sheetal, and Darshana for their advice and their willingness to share their bright thoughts with me, which was very fruitful for shaping up my ideas and research.

Thanks to each and every members of NFDD Center. Collective and individual acknowledgments are also owed to my colleagues at Department of Chemistry, Saurashtra University whose presence somehow perpetually refreshed, helpful and memorable. I was extraordinarily fortunate in having Anand, Rahul, Mayur as my junior colleagues.

To Prashant Shah, thank for giving me the opportunity to work in O2h at Ahmedabad.

I am tempted to individually thank all of my friends which, from my childhood until graduate school, have joined me in the discovery of what is life about and how to make the best of it. However, because the list might be too long and by fear of leaving someone out, I will simply say thank you very much to you all.
It is a pleasure to express my gratitude whole heartedly to Anamik Shah’s family for their kind hospitality during my stay in Rajkot for Ph.D. Specially thanks to Ranjanmam and Aditya.

Where would I be without my family? My parents deserve special mention for their inseparable support and prayers. My Father Hamirbhai, in the first place is the person who put the fundament of my learning character, showing me the joy of intellectual pursuit ever since I was a child. My Mother Dhaniben, is the one who sincerely raised me with her caring and gentle love. My special gratitude is due to, my brother Pankaj, my sisters Rashmita and Jalpa and all my family members for their loving support. Words fail me to express my appreciation to my wife Vandana whose dedication, love and persistent confidence in me, has taken the load off my shoulder. I owe her for being unselfishly let her intelligence, passions and ambitions collide with mine. Therefore, I would also thank Vandana’s family for letting me take her hand in marriage, and accepting me as a member of the family, warmly. Furthermore, to Baria family with their thoughtful support, thank you.

I would like to thank everybody who was important to the successful realization of thesis, as well as expressing my apology to those whose name I could not mention individually.

Finally, I bow my head before almighty GOD, who has inspired ME in each and every stage of my life.

BHARAT BARIA
