ACKNOWLEDGEMENTS

Gratitude is seldom expressed in words towards the submission of this thesis. I would seize the opportunity to acknowledge my deep sense of gratitude towards all those who extended their kind help in fulfilling this endeavor.

I would surely be short of words while expressing my sincere regards to my guide, Prof D. R. Sharma. I had the opportunity to work under his esteemed guidance. His deep insight into science and constant generation of new ideas helped me tremendously in my work. It was his valuable discussions and endless endeavors through which, I have gained a lot. His constant encouragement and confidence-imbibing attitude has always been a moral support for me. I was indeed fortunate to have been associated with him.

It is my privilege to express my sincere thanks and deep sense of gratitude to Dr. Kamal Dev for providing constructive guidance and innovative ideas throughout this scientific pursuit, whose advice remained constant source of inspiration throughout my work.

For me it is great privilege to express my deep sense of gratitude in debtness to Prof. P.K. Khosla, Vice Chancellor. It gives me immense pleasure to record my humble gratefulness towards Prof. Anuradha Sourirajan, Dean, Department of Biotechnology. I express my deep respect and sincere gratitude towards her.

I am also thankful to Mr. Jai, Mr. Rakesh and Mr. Dilip (Lab Attendant) for their immense help. I am also grateful to express my heartfelt gratitude and sincere thanks to my lab members and special friends for their unwavering support, consistent help and encouragement, during all times whenever it was needed. I express my sincere love and affection towards all those benevolent souls and true friends.

My vocabulary knows no more words to acknowledge the highly encouraging and loving support, selfless sacrifice and valuable guidance that I receive from my parents. Words fail to express my gratitude to my brothers (Er. Vivek Garg and Mr. Khushdev Garg) for their continuous support, advice and blessings that make me to fulfill my dream.

I would also like to thank my love Mr. Madhur Agarwal, for his support and incent me to survive towards my goal.

However above all, I thank God for his grace and kindly light that has always shown on me as I moved through this venture. I owe a lifelong indebtedness to him.

Aparna Aggarwal
