ACKNOWLEDGEMENT

It was a great privilege to be associated with Dr. R. R. Borude, my guide, under whose guidance, constant encouragement and support this research work was carried out. I am extremely indebted to him for his keen interest inspite of his busy schedule, which enabled me to put forward my efforts in the present form.

I am grateful to Hon. Dr. S. B. Nakade, Vice-Chancellor and Shri S. D. Pagare, Registrar, of Dr. Babasaheb Ambedkar Marathwada University, Aurangabad for their encouragement and full administrative support.

I am very much thankful to Dr. Smita Avachar, Reader of Sociology deptt., Dr. B. A. Marathwada University, Aurangabad and Dr. B. N. Sinha, Head of the Deptt. of Psychology, Ranchi University, Bihar and Dr. A.K. Sen, formerly Head of the Deptt. of Psychology, Delhi University for their timely inspiration and guidance. Their optimistic thinking helped me to present this research work in this form.

I am very appreciative of the help of Mrs. Mangal Ahirkar, Mrs. Shahista Pravin, who assisted in various parts of my inquiry into library size issues.
I am very much thankful to Dr. L.B. Thakur, former Head of the Deptt. of Statistics, Dr. B. A. Marathwada University, Aurangabad, for his time to time heartly help.

I cannot forget my parents, brothers, husband and family members for their sacrifices and encouragement throughout my research endearour.

Last but not least, I am thankful to all my friends, who have contributed directly and indirectly to this research work.
