ACKNOWLEDGEMENT

I consider it my proud privilege to convey my deepest reverence and profound sense of infinitum gratitude and indebtedness to my supervisors Dr. K. Pramanik, Assistant Professor in Agronomy, Department of ASEPAN, Palli Siksha Bhavana (Institute of agriculture), Visva-Bharati, Sriniketan and Dr. B.S. Rath, Professor of Agronomy, College of Agriculture, Orissa University of Agriculture and Technology, Bhubaneswar for his meticulous guidance, incessant encouragement, valuable suggestions, untiring effort and all round help throughout the study and preparation of this manuscript. I think I was fortunate enough to be their research scholar.

I am thankful to express my greatest veneration and esteem to the Principal, Palli Siksha Bhavana, Visva-Bharati and Head, Department of ASEPAN, Palli Siksha Bhavana, Sriniketan for providing me an opportunity to carry out my Ph.D. work.

Sincere and heartfelt thanks to Dr. S. K. Swain, Ex. Programme Co-ordinator, K. V.K., Mayurbhanj for providing the facilities for conducting the field experiment at the Instructional Farm of K.V.K., Mayurbhanj, Shamakhunta.

I bow my head with overwhelming respect and thanks to Prof. D.C. Ghosh, Prof. G.C. Dey, Prof. B.K. Saren, Prof. A.K. Barik, Dr. B. Duary, Dr. G.C. Malik, Dr. S.K. Maity, Dr. (Mrs) M. Banerjee, Dr. D. Panda, Dr. (Mrs.) S. Mondal and all the faculties of the Department of ASEPAN for their valuable advice and encouragement in performing my Ph.D. work and preparation of manuscript.

I feel elevated to express my heartfelt gratefulness to Dr. L. M. Garnayak, Dean, College of Agriculture, Orissa University of Agriculture and Technology, Bhubaneswar, Dr. Dayanidhi Mishra, Ex.ADR, RRTTS, Keonjhar, O.U.A.T for his immense help in data analysis, whole-hearted cooperation and counsel as and when solicited. I would be failing in my duty if I do not acknowledge the guidance and support rendered by Dr. S.K. Pattnaik, HOD, Department of Soil Science, O.U.A.T. during the course of this investigation.

I express my special elevated indebtedness to Dr. H.K. Patro, Associate Director of research, RRTTS, Keonjhar for his prudent suggestions and immense patronage as and when required during compilation and interpretation of data.

I am thankful to the Librarian, Central Library, O.U.A.T. for providing necessary library facilities for the study of literatures related to my Ph.D. work.

I also gratefully record all timely assistance extended to me by all the staff of Department of ASEPAN and Palli Siksha Bhohana and Central Office of Visva-Bharati.

I duly acknowledge the constant encouragement and cheerful help rendered by Debasis bhai, Jaga bhai, Tushar bhai, Sanghamitra madam, Srimanta bhai, Akhaya, Jibanjit, Sarangi baba, Pati baba, Barik baba, pradip (Biswal), Dinabandhu, Sukanta, friends and well wishers during the course of this study. I am thankful to Hemanta babu, staff of DDA., Mayurbhanj for his amicable and amiable cooperation in collection of meteorological parameters.

I feel great pleasure to express my indebtedness to my Bau (Debaki & Pramila), Father in law (Krushna), Sister in law( Sabita), Bhai (Ganga & Sagar), Bhauja (Kuni & Nini), wife (Mami), Brother in law (Tiki & Biki) and daughter (Ankita & Arpita) for their sacrifice, abundant love, affection and constant encouragement to complete this higher study.

Date: June, 2015

(Kishore Chandra Sahoo)

Place: Dept. of ASEPAN, PSB, Sriniketan
