

ACKNOWLEDGEMENT

No words are adequate to express my sentiments of everlasting gratitude and respect to my Guide Dr. Samir J. Patel, Department of Psychology, Sarbar Patel University, V. V. Nagar for his valuable and dedicated guidance, constant inspiration and scholastic attitude which he gave throughout the writing of this Thesis.

Research scholar wishes to convey his sincere thanks and gratitude to Dr. Samir J. Patel, Head of Department, (Psychology), Sardar Patel University, V. V. Nagar for giving the opportunity to work on this study and for his valuable encouragement in carrying out the study successfully.

Deep sense of gratitude is also expressed by the research scholar in these few lines for all the suggestion offered by Dr. Sangita Pathak. Sincere thanks are also extended to all the players who acted as subject of the study and for all those who helped in one way or the other but their name have not been mentioned.

Special thanks are extended to Dr. A.J. Zala, Dr. Ajitsinh R. Gohil and Mr. Shailesh Patel who had provided a constant inspiration throughout the completion of this study.

Lastly warm appreciation to My Parents who had been a repeated source of inspiration ever since and directed me with enthusiasm moral support and sheer innovation to undertake and complete the study.
