

## List of Graph

Graph No.	Name of Graph	Page No.
4.1	Graph showing Mean value of Achievement Motivation work interest of players in relation to Education.	64
4.2	Graph showing the Mean value of Achievement Motivation work interest of players in relation to Experience.	65
4.3	Graph showing the Mean value of Achievement Motivation work interest of students in relation to gender	66
4.4	Graph showing the Mean value of Achievement Motivation work interest of students in relation to education and experience	68
4.5	Graph showing the Mean value of Achievement Motivation work interest of students in relation to education and gender	70
4.6	Graph showing the Mean value of Achievement Motivation work interest of students in relation to experience and gender	72
4.7	Graph showing the Mean value of Achievement Motivation work interest of students in relation to gender, education and experience	74
4.8	Graph showing Mean value of Personality work interest of players in relation to Education	76
4.9	Graph showing the Mean value of Personality work interest of players in relation to Experience	77
4.10	Graph showing the Mean value of Personality work	78

	interest of students in relation to gender	
4.11	Graph showing the Mean value of Personality work interest of students in relation to education and experience	80
4.12	Graph showing the Mean value of Personality work interest of students in relation to education and gender	82
4.13	Graph showing the Mean value of Personality work interest of students in relation to experience and gender	84
4.14	Graph showing the Mean value of Personality work interest of students in relation to gender, education and experience	86
4.15	Graph showing Mean value of Emotional Maturity work interest of players in relation to Education	88
4.16	Graph showing the Mean value of Emotional Maturity work interest of players in relation to Experience	89
4.17	Graph showing the Mean value of Emotional Maturity work interest of students in relation to gender	90
4.18	Graph showing the Mean value of Emotional Maturity work interest of students in relation to education and experience	92
4.19	Graph showing the Mean value of Emotional Maturity work interest of students in relation to education and gender	94
4.20	Graph showing the Mean value of Emotional Maturity work interest of students in relation to experience and gender	96
4.21	Graph showing the Mean value of Emotional Maturity work interest of students in relation to gender, education and experience	98
