Acknowledgement

Interdependence is certainly more valuable than independence. This thesis is the result of four years of work, whereby I have been accompanied and supported by many people. It is a pleasant aspect that I have now the opportunity to express my gratitude for all of them. The first person I would like to thank is my supervisor Prof. A. SREERAMULU I am especially indebted for his role in developing the research work and for his patience in handling my shortcomings, which have helped me immensely towards developing my research skills. I owe him lots of gratitude for having me shown this way of research. Besides of being an excellent supervisor, he was always as close as a relative and many times a good guide for me.

I am grateful to Prof. G. SUDARSHANAM, Head, Department of Botany, S.V. University for his constant support during my research period. No words are enough to express my heartiest thanks to a wonderful scientist and more pleasant as a professor Prof. G. RAMAGOPAL & Prof. G. RAJENDRUDU, for the help rendered in all ways throughout the period of my research.

My heartfelt thanks to Prof. N. SAVITHRAMMA, Prof. N. YASODAMMA, Dr. K. VIJAYA, Dr. NAGALAKSHMIDEVAMMA and Dr. KAMAKSHI their lovely presence and motherly caring nature made me to feel homely atmosphere in lab.

I owe a great debt of gratitude to Dr. K. MADHAVA CHETTY, I thank him for his broad range of expertise and attention to detail, as well as the encouragement he has given me over entire period of research. I would also like to thank Dr. J. S. R MURTHY, Dr. M. SANTHOSH KUMAR for the countless discussions we have had and for providing honest and critical feedback of my work.

I kindly acknowledge my thanks for making me hurry up to Dr. PRASADA BABU, Dr. C. RAMESH and Dr. M. BAVAJI for their suggestions.
I greatly appreciate the day to day assistance and support from the gardeners, without whom the experiments could not have been completed. Finally, I would like to thank all technical staff Basha and Librarian Milton Babu for their help, friendship and making my stay at enjoyable in the campus.

I feel a deep sense of gratitude for my parents, who formed part of my vision and taught me the good things that really matter in life. The happy memory of my father still provides a persistent inspiration for my journey in this life. My mother’s memory, has been extremely strong and supportive for me over the years though she left us to go heaven. I can’t thank her enough.

I thank my brother Late Sreenivasulu Naik, for his cherish support in every way and encouragement over the years. My sincere thanks to my brothers Rana Pratap Naik, Rana Surendra Naik and my sisters Sarada, Jhansi, and Annapurna for their support in each and every walk of my life. I thank to my brother-in-laws Sunkaraju, Bapuji, Jagadish and sister-in-laws Radha, Krishnaveni, Suvarna who have always buoyed up my higher education and have been very patiently waiting for me to get this thesis done. I acknowledge my dear Swetha Vasundara for all aspects and prospects I had from her.

I would specially like to mention name of my colleagues Sreepraya, Sinesha, Saritha, Sailaja, Aruna, Venu gopal, for their help in this research as well as in day to day lab-life. I thank all my colleagues in our research group for the good and motivating work atmosphere.

I am grateful to my colleagues and friends Dr. Shanmukhanand, Dr. Vinay, Johnson, Ramesh, Ramu, Subba Reddy, Sai, for their active moral support and participation in this study. Without you all my lab-stay wouldn’t be the same. All of you are acknowledged for feedback and constructive criticism during several meetings.
I offer my sincere gratitude to my laboratory peers Kedar, Mallikarjuna, Pratap, Ankanna, Venkatesh, Ganesh for their help in different ways.

I am grateful to my colleagues and friends Dr. Tejomurthy, Dr. Kamli Naik, Dr. Reddi Naik, Sreenivasulu Naik and Shankar Naik Prabhakar for their help.

My best pal, Vijay, Sundee, Sunny, Samara (Virology Ravi), Buddu Sreenu and Basawaraju thanks for your love, for being extremely indulgent during these years and for the enormous support I’ve received from you, without which this work would never have even been contemplated.

My family has helped me to understand the meaning of an old Chinese proverb: "Love is Greater Than Truth".

The chain of my gratitude would be definitely incomplete if I would forget to thank the first cause of this chain, using Aristotle's words, The Prime Mover. My deepest and sincere gratitude to that Heavenly Power Lord Venkateswara and Lord Maheswara for inspiring and guiding this humble being!

(N. Anil Kumar)
