Acknowledgements

This research work was supported by the AISH fellowship awarded by the All India Institute of Speech and Hearing, Mysore, India. This work was carried out at the Department of Audiology, All India Institute of Speech and Hearing, Mysore, India.

My sincere regards and respect are due to my guide and teacher, Prof. Asha Yathiraj. She has been a constant inspiration at every stage of this work, sharing her thoughts and knowledge. My deepest gratitude and sincere thanks to you madam.

I thank Prof. S. R. Savithri, Director, All India Institute of Speech and Hearing, Mysore, India for providing the facility to carry out the research work.

I thank Dr. Vijayalakshmi Basavaraj, former Director, All India Institute of Speech and Hearing, Mysore, India for giving me opportunity to take up the fellowship and inspiring my thoughts at several stages of this work.

I thank Prof. P. Manjula, Head, Department of Audiology

I thank all the participants without whom this research work would not have been possible.

I thank the doctoral committee for offering useful suggestions regarding the work.

My sincere thanks to all the staffs, Department of Audiology, for their valuable support.

I also thank staffs, Department of Electronics, Library and Academic block for their valuable help throughout the work.

My sincere gratitude to Ms. Vasanthalakshmi and Mr. Santhosh, for sharing their valuable knowledge in Statistics.

I would like to thank my family members, because of whom I am at this level today.

I also thank all those who directly and indirectly helped me throughout my life, in their valuable ways, by providing insights, encouragement and time.

My sincere thank to Niraj, Sujeet, Jijo, Sreeraj, Dr. Preeja Balan, Dr. Jayashree Shambal, Sarika Khurana, Priya M. B, Pragati, Akshay & Varun for their help in shaping the software material used in this study.

I would like to thank Roshni and Alok for all the support.

I would like to thank my wife, Apeksha for her moral support and valuable suggestions.

Last but not the least, I thank Almighty for helping me to reach to this stage of life.
