ACKNOWLEDGEMENT

I consider this as a good opportunity to express my heartfelt gratitude towards my research guide Prof. Dr. Bhalchandra Nemade for his genuine, kind and discriminating guidance. He not only guided and supervised my research work but patiently and benevolently groomed me up to deal with it properly and adequately. I lack words to thank him for his valuable guidance and express my admiration for him as my Guru.

I thank the Principal, H.P.T. Arts and R.Y.K. Science College at Nashik who kindly relieved me from duties for two years during the tenure of UGC Teacher Fellowship. Because of the Award of UGC Teacher Fellowship for two years, I could complete my thesis earlier and I thank the UGC, New Delhi (WRO, Pune) authorities for it. I wholeheartedly express my gratitude towards the Zonal Secretary of Gokhale Education Society in Nashik Shri B. Devraj for constant encouragement and help.

I would like to express here my indebtedness to Dr. R. M. Pai and Dr. Laxmi Bai Balchandran for their help in solving some practical problems I faced.

The staff in the libraries of Central Institute of English and Foreign Languages, Hyderabad; Deccan College Post-Graduate and Research Institute, Jayakar Granthalaya and Government Divisional Library, Pune; Dr. Babasaheb Ambedkar Marathwada University, Aurangabad; Bhausahaeb Vartak Granthalaya, H.P.T. Arts and R.Y.K.
Science College, Nashik ; University of Mumbai and Mumbai Marathi Granthasangrahalya, Mumbai rightly deserve words of thanks for their co-operation during my reference work.

My husband’s constant encouragement and every possible help in my work made to realise this thesis in truth. My dear young ones Prachi and Mayuresh co-operated me with good understanding while I was away from them, and my parents encouraged me constantly. I would like to remain obliged to all of them.

My sincere thanks to the respected staff of the Department of English, Dr. Babasaheb Ambedkar Marathwada University and all my friends and colleagues who helped directly or indirectly in many different ways while I was doing this research work. I acknowledge my thanks to Shri Vaibhav Gaidhani and Mrs. Poornima Salkade for typing, revising and DTP setting of this thesis.
