ACKNOWLEDGEMENT

A final outcome is never the work of one person more a combination of ideas, suggestions, reviews and works involving many people.

First and foremost, I wish to express my deep sense of gratitude and sincere thanks to my research guide Dr. Nagaraja Naik, Professor, DOS in Chemistry, University of Mysore, Mysore, who introduced me to this field and taught me the fundamental of research. I am highly indebted to him for his active guidance, constant source of encouragement and valuable suggestions throughout my research work.

I Sincerely thank Prof. S.L. Belagali, Chairman, BOS in Environmental Science and members Dr. S. Srikantaswamy, Dr. B. Manoj Kumar and Late Dr. Rudappa Shettalli for serving on my doctoral committee and providing valuable suggestions.

I express my sincere thanks to Dr. A.G. Devi Prasad, Chairman, DOS in Environmental Science, University of Mysore, for providing necessary facilities and the faculty members of DOS in Environmental Science, University of Mysore, Dr. Venkataramana, and Dr. N.S. Raju, for their encouragement during my research work.

I would also like to thank all non teaching staff of Department of Studies in Environmental Science for all of their help during research work.

I express my sincere and deepest sense of gratitude to Sri. Nagendra, A.L. Deputy Development Officer, Karnataka Industrial Areas Development Board, Mysore, for concern imitable support during my research and helping me a lot to carry out my research objectives.

I would like to express my appreciation for all the help and support from my dear friends Dr. M. S. Ramananda, Dr. N. G. Raju, Dr. J. S. Chandrashekar, Dr. M. S. Hemantkumar, Dr. P. Madesh, Sri. H N Manchegowda, Sri Y L Somashekar, Sri C. Mariswamy, Sri G. Ravi, Sri Venkatesha, Dr. S Raghavendra, Sri Venkatesh Rathod, K, Dr. R. Shekhar Naik, Dr. K. H. Kumar Naik, Dr. K. B. Praveen, Sri C. Lingaraju and Sri. M. Balkrishna.
I would like to thank my brother in law’s Sri. Ravindra L Rathod, Sri Raguveer L. Rathod and my brother Sri Deelipkumar R Chavan and Sri Vinodkumar K J for all of their help to carry out my research work.

It is my immense pleasure to thank University of Mysore and DOS in Environmental Science for providing an opportunity for pursuing my Doctor of Philosophy in Environmental Science.

The episode of acknowledge would not be complete without the mention of my parents, beloved father Sri. Ramu Chavan, my beloved mother Smt. Kamalabai, who taught me the value of hard work. I would like to share this moment of happiness with my caring wife Meenakshi L Rathod, my beloved sons Rishi and Namish, caring sweet sisters Laxmibai, Motibai and Shashikala for rendering me enormous support during the whole tenure of my research. The encouragement and motivation that was given to me for carry out my research work by all relatives is also remembered.

Finally, I would like to thanks everybody who have been in one way or other, my motivating source and strength for the fulfillment of this thesis.

Gangadhar Ramu Chavan
