ACKNOWLEDGEMENTS

Though only my name appears on the cover of this dissertation, a great many people have contributed to its production. I owe my gratitude to all those people who have made this thesis possible and because of whom my graduate experience has been one that I will cherish forever.

I thank Almighty God for giving me the courage and the determination, as well as guidance in conducting the research study, despite all difficulties.

Fervently and humbly, I acknowledge the genuine co-operation, inspiration and affection offered by my guide Dr. N. S. Raju, Assistant Professor, Department of Studies in Environmental Science, University of Mysore, Manasagangotri, Mysore. The present work bears at every stage the impression of his wise counsel and concrete suggestions and criticisms and of meticulous attention to details.

My heartfelt thanks to Dr. A. G. Deviprasad, Chairman, Department of Studies in Environmental Science, University of Mysore, Manasagangotri, Mysore, who has been a constant encouragement and treasure of valuable guidance.

I also wish to express my sincere thanks to Dr. S. L. Belagali, Professor, Department of Studies in Environmental Science, University of Mysore, Manasagangotri, Mysore, for his kind co-operation.

I am in dearth of words to express my deep sense of hearty gratitude to Dr. Shankar. P. Hosmani, Farmer Professor, Department of Studies in Botany, University of Mysore and working as a Professor, Dept. of Biotechnology, SBRR Mahajana college, Jayalakshmipuram Mysore, and for Avinash too. I am very grateful for his ever-helpful nature during the period of my work.

I deem it my privilege to extol my profound etiquette and sincere feelings of gratitude to Dr. S. R. Niranjana, Vice-chancellor, Gulbarga University, Gulbarga, for his support during my research work.

I wish to express my profound gratitude to, Dr. S. Srikantaswamy, Associate Professor and, Dr. G. V. Venkataramana, Assistant Professor, Department of Studies in Environmental Science, University of Mysore, Manasagangotri, Mysore, for providing me the support, encouragement valuable suggestions during the course of study.

I am very much thankful to the non teaching staff; Shivakumar. S, Nagaraju, Sumithra, Nagaratna, Ramanna and Avinash of the Department of Studies in Environmental Science for their help during research work.
Special thanks also due to, Mrs. Nanda Raju for supporting and encouraging me to pursue this degree, who wished my welfare and kind advice and for their blessings.

With great pleasure, I express my indebtedness to my colleagues Roopavathi C, Dr. Basavarajappa S.H, Dr. Shivashankar, P, Lingaraju H.G, Dr. Kaonuine roohi and Supreeth M for their co-operation, support and immense help in all the steps of my research work which is unforgettable.

I deeply acknowledge the help of my colleagues Prakruthi, T.R, Chandrashekhar, M.A, Gireesha J, Yogesh M.B, Ganesh Babu, Soumya Pai, and Aravinda, K.S for their immense help in my research work.

I am also thankful to my other research friends Dr. Devaraja K, Dr. Geetha K. S, Dr. Divya J, Dr. Shyamala D.C, Dr. Shiva kumar D, Dr. Komal kumar, J, Dr. Rajanna A.H, Dr. Kiran kumar, Dr. Deepa C.N, Dr. Sunitha R, Sathish Kumar J, Shruthi H, Vivek K. Mr. Bhanuprakash, Smitha, Jagadeesh, Shruthi L, Athiya samreen, Lathamani, Susheela, Chandana M, Vandagopal P, Srinivasa, Manjunath K.G, Guruprasad S.L, Manohar M, Vadraj K.T, Mahesh Bhat, Komala, H.P, Shwetha, Sapna Rao, Radha Srinivas, Sharath V.G, and Sudhindra kumar for their timely help and valuable advice during my research work.

Finally I wish to express my love and gratitude to my beloved mother Shivasundari who deserves special mention for her prayers and endless love, my father Mallesh D the person who put the fundament for my learning character, showing me the joy of intellectual pursuit ever since I was a child. Special thanks to my brother; Harish Sharma M.S, for his endless support in all aspects. I warmly appreciate and valuable advices from my sisters, brother in laws, children’s and other family members throughout my studies with their best wishes.

I would like to convey my sincere thanks to Department of Studies in Environmental Science and University of Mysore for providing me an opportunity to take up my research work and I appreciate the financial assistance from Rajiv Gandhi National Fellowship, UGC to carry out the research work.

Finally, I would like to thank everybody who was supporting me directly or indirectly, important to the successful realization of thesis, as well as expressing my apology that I could not mention personally one by one.

Rakesh Sharma M.S.
