ACKNOWLEDGEMENTS

It is my privilege to express my deep sense of gratitude and indebtedness to my guide Dr. S. S. Deokule, Professor and Head, Department of Botany, University of Pune, Pune-411007, for suggesting the present problem. I should ever remain grateful for his inspiring and instructive valuable meticulous guidance and support beside a cheerful encouragement, unfailing help and energizing criticism with a sense of dedication and for providing necessary laboratory facilities to carry out this investigation.

I express my sincere gratitude to all the members of Dapoli Education Society, Dapoli for constant encouragement and giving me the opportunity to enroll myself as Ph.D. student of Botany department, Pune University, Pune.

I wish to express hearty thanks to Dr. S. P. Jagdale, Principal, Dapoli Urban Bank Senior Science College, Dapoli for support, encouragement and co-operation received during the course of this investigation.

I am also grateful to Dr. M. G. Shitole, Dr. Chaughule and Dr. V. R. Gunale, Former Professors and Heads of Department of Botany, University of Pune, Pune-411007 and Dr. K.N. Dhumal, Former Professor of Department of Botany, University of Pune for constant encouragement and support.

I wish to express my sincere thanks to Dr. P. G. Diwakar, Joint Director, Botanical Survey of India, Western Regional Centre, Pune-411001 for providing facilities in identification and authentication of herbarium specimens.

At the outset, I take pride in thanking to Dr. Nalawade, Head and Asso. Professor, Department of Botany, Manchar College, Prof. B. B. Gawade, Head and Asso. Professor, Department of Botany, Dada Patil College Karjat; Dr. Bolbhat, Asso. Professor, Department of Botany, Dada Patil College Karjat; Dr. Patil and Dr. Bapu Avchar, V. P. College Baramati, Dr. Nehul, Appasaheb Rajale College, Pathardi; who had directly and indirectly for their inspiration and encouragement throughout the period of my study.

I sincerely acknowledge thanks to Dr. D. N. Mokat, Assistant Professor, College of Forestry, Dr. B. S. Konkan Krishi Vidyapeeth Dapoli and Dr. Shrinath Kavde, Head department of Botany, Lanja College for constant encouragement, support and help in identification of some plant specimens.
My thanks are due to Dr. Upadhye Anuradha, Dr. D. K. Kulkarni and Dr. Vinaya Ghate, Botany group, Agharkar Research Institute, Pune, for their help, inspiration and encouragement from the initial period and during the course of this work.

I must mention my deepest gratitude to Mr. Yuraj Bangar, Tahsildar of Dapoli and his staff members for providing necessary help of inventory of sacred groves of Dapoli Tahsil.

I am thankful to the authorities of Library of Mumbai University, Mumbai; Agharkar Research institute, Pune; Bombay Natural History Society, Mumbai for help during referencing of this topic.

I express my sincere thanks to all the Teaching and Non-teaching Faculty members of Botany department, University of Pune for their direct and indirect help rendered from time to time.
