I avail myself of this opportunity to thank Mr. M.V. Sahasrabudhe, Administrator and Mr. A.L. Adhav, Engineer of Command Area Development Authority, Aurangabad for their co-operation during the period of this work.

I would fail in my duty if I forget the households of Ralegan Shindi who have given me their full co-operation for supplying detailed information and sharing of their most valuable time even during harvesting season.
I also express my gratitude to Sri. Kisan Baburao Hazare fondly called as "Anna" for devoting some of his most valuable time by providing information without whom the project would not have been complete.

I am also grateful to Anna and the villagers of Ralegan Shindi for their hospitality shown to me on my innumerable trips to the village.

I am also indebted to my parents and Prof. Ms. Desai of S.B. Commerce College, Aurangabad for the encouragement they gave me throughout my research work.
