ACKNOWLEDGEMENTS

I express my sincere gratitudes, virtual veneration to my guide Dr. G.B. Shinde, Reader, Department of Zoology, Marathwada University, Aurangabad, for his constant inspiration and versed advice, valuable and versatile, kind guidance upto this completion of this thesis.

I am highly grateful to Dr. R. Nagabhushanam, Professor and Head, Department of Zoology, Marathwada University, Aurangabad for providing the necessary facilities.

The present work was carried out under the University Grants Commission, New Delhi, financed research scheme on "Biology and Control of some cestode parasites of marine food fishes from Arabian sea and Bay of Bengal" (East and West coast of India). I am thankful to the University Grants Commission authorities for the award of Junior Research Fellowship under the scheme, which was executed from November, 1979.
My sincere thanks are due to Dr. B.V. Jadhav, Technical Assistant in the Department of Zoology, Marathwada University, Shri B.B. Dhule, Lecturer, in V.P. Mahavidyalaya, Vaijapur, Dr. D.G. Solunke, Lecturer in Shahu College, Latur and Mr. E.S. Pawar, Lecturer in Shivaji College, Kandhar.

It is my duty to express my thanks to Shri Gupta, Somune, Ghanathay, Mrs. Sayeeda, Miss Wankhede and Miss Jawaliker.

I am highly indebted to my parents and my husband Shri Dilip Deshpande for their help and encouragement.

Thanks are also due to Shri Nitin Nikam for dextrous typing of the thesis.

Lastly I shall fail in my duties if I do not acknowledge to my all friends and relatives.
