Acknowledgements

It gives me immense pleasure and joy to express my heartfelt gratitude to my supervisor, Prof. B.K. Konwar, Professor and Head Department of Molecular Biology and Biotechnology, Tezpur University, Napaam, Assam who has not only been a teacher and guide to me but my well wisher too. Without his constant inspiration, encouragement, constructive criticism and help it would not have been possible for me to complete this investigation successfully.

I would like to offer my sincere thanks to Prof. P.C. Deka, Vice-chancellor, Tezpur University, Napaam, Assam for providing me an opportunity to work in the university laboratory. I would also like to offer my sincere thanks to the Vice-chancellor, Assam Agricultural University, Jorhat, Assam for granting me study leave for the purpose.

I offer my deep sense of gratitude to Dr. P. Lakshminarasimhan, Scientist ‘C’ and Dr. H.J.
Chowdhery, Joint Director, Central National Herbarium, Botanical Survey of India, Howrah, West Bengal; Dr (Mrs.) S.J. Phukan. Deputy Director, Botanical Survey of India, Eastern Circle, Shillong, Meghalaya for their kind help and suggestion in taxonomical investigation. My sincere thanks goes to Prof. S.K. Dolui, Dean, Science and Technology, Tezpur University, Napaam; Prof. K.K. Baruah, Department of Environmental Science, Mr. B. Gohain, Department of Chemical Sciences, Tezpur University, Napaam; Dr. P. Baruah, Scientist, and Mr. Deep Gogoi, RRL, Jorhat and Mr. K.K. Senapati, IIT, Guwahati for their kind help in carrying out few important analysis.

It is a great pleasure for me to extend my sincere thanks to all the faculty and staff members of the Department of Molecular Biology and Biotechnology. I also wish to extend my sincere thanks to my fellow research scholars - Dr. Rupam Kataki, Dr. Kishore Das, Mr. Khanin Ratna Barman, Mr. Jitu Buragohain, Mr. Naba Bordoloi, Mr. Bhaben Tanti, Mr. Ranjan Kandoli, Mr. Kaushik Das, Abu Mohd. Pharhad Hussain, Nazir Hussain Shah, Mr. Sudhir, Luna Baruah, Mr. Suvangshu Dutta, Mr.
Diganta Kalita and others for their kind help and suggestion.

Last but not the least, I would like to express deep sense of appreciation and heartfelt thanks to my wife Binita, my son Geet and my brothers, Khagen, Haren, Hiten and my sister Malaya for their constant encouragement and mental support.

Date: 20.07.2006
