Acknowledgement
ACKNOWLEDGEMENT

Words can hardly substitute the immense depth of gratitude and indebtedness that I owe to my guide Dr. K. Udaiyan, Professor and Head, Department of Botany, Bharathiar University, Coimbatore, for initiating me into this field of research and for his unflinching guidance, constant encouragement, focusing criticism, uncompromised preparation of the manuscript, patience and instant provision of all the requirements throughout the course of my study. I am ever obliged for his personal care towards me.

I am very much grateful to my senior Dr. T. Muthukumar, Research Associate – CSIR, Department of Botany, Bharathiar University, Coimbatore for his unstinting help, critical suggestions, constant encouragement and moral support throughout the course of my work.

I express my profound thanks to Prof. K. Janardhanan, Prof. S. Manian, Prof. K. Francis, Prof. V Narmatha Bai and Prof. V. R. K. Reddy, Department of Botany, Bharathiar University, Coimbatore for their encouragement during the tenure of my study.

I wish to extend my sincere thanks to Dr. V. Rajeshkannan, CSIR-SRF, Department of Botany, Bharathiar University, Coimbatore, for his interest, affection, help and for being with me throughout the course of my study.

I am very much thankful to Ms. M. A. Deepa, Department of Botany, Bharathiar University, Coimbatore for her enthusiasm and constant encouragement throughout this study.

I wish to extend my heartiest thanks to Dr. P. Ponmurugan, UPASI, Valparai for his help in plant and soil nutrient analysis. Ms. Mehtab Jahan Bukhari, Head, Dept. of Botany, Govt. College of Arts, Science and Commerce, Goa, is kindly acknowledged for helping me in taking microphotographs of AMF spores.

It would be an obvious fact of my ignorance if I fail to spread my sincere and heartfelt thanks to my dearest friends, without whose love and care, help and assistance, encouragement
and guidance, the thesis would not have been in a form of what it is now. No amount of thanks will repay my debt to my friends Suresh, Balamurugan, Brahmanandhan, V. Senthil Kumar, Swaminathan, Malathy, R. V. Rajesh, P. Senthilkumar, Muthariyan, Basker, Dhanabal, Research scholars, Bharathiar University, Coimbatore, Kamalakkannan, Lecturer, VLB College of Engineering, Coimbatore, Dr. V. Ramamoorthy and Dr. K. M. Gothandam, Korea University, South Korea for their constant encouragement throughout my study.

I thank Dr. P. Shanmughavel, Guest Faculty in Bioinformatics, Department of Botany, Bharathiar University, Coimbatore for his enthusiasm and amiable companionship.

I owe to the brotherly care of Dr. N. Ganeshan, Pondicherry, and Dr. Manoj Alagrarajan, Gujarat during my study.

I wish to thank Dr. T. Sekar and Mrs. Noorjahan Department of Botany, Bharathiar University, Coimbatore for their technical assistance during the course of this study.

Words are inadequate to express my sincere gratitude towards my beloved parents and sister for their moral support and sacrifices for this study.

Finally I thank the almighty GOD who gave me the strength to face all hurdles during the study and for the successful completion of my work.

Damodaran
