ACKNOWLEDGEMENT

I owe immensely to my revered research supervisor Dr. D. Padmanaban, Director, Centre for Research in Social Sciences, Technology and Culture, Coimbatore for his unstinted guidance, encouragement as well as constructive criticisms throughout the course of this research work.

I thank whole-heartedly the Late Dr. (Ms.) N. Ranganayaki, for her advice and motivation given initially and Dr. N. S. Narayanaswamy, Senior Professor of the Centre for Research in Social Sciences, Technology and Culture, Coimbatore, for his constant support and encouragement.

Special mention is to be made for advice and assistance rendered on the part of Dr. P. Natarajan, Principal, NTC Staff College, Coimbatore, Mr. A. Shanmuganandham, Technical Officer, South India Textile Research Association, Coimbatore, Mr. R. Jeganathan, Director, Penguin Engineers, Coimbatore, Mr. S. Chandrasekar, Manager- Materials, Roots Industries Limited, Coimbatore.
I am immensely thankful to the authorities and staff of the libraries of Bharathiar University, Coimbatore, Indian Institute of Management, Bangalore, Indian Institute of Technology, Chennai, Anna University, Chennai, United States Information Services, Chennai, University of Madras, Chennai, for their spontaneous permission to consult books, journals, CD references, and to avail the internet and photocopying services.

The role of the faculty and staff of GRD Institute of Management, Coimbatore, in providing me the necessary help during my research work and Mr.D.Marudhachalam of Mugil Data Systems in finalising the draft of the thesis in its present form is to be acknowledged.

The Management and the staff of the Centre for Research in Social Science, Technology and Culture is to be acknowledged for having created and preserved the right climate for academic pursuit of a high order in Ph.D studies.

A note of appreciation and my gratitude are due to all the Managers / Purchase Officers / Store Keepers of the textile mills who have responded to my request and given me the necessary data for my research.
