ACKNOWLEDGEMENT

It is an enchanting privilege for me to convey my gratitude and sincerest thanks to my supervisor Dr. B. Roy, Ph.D. (Associate Professor) Department of Chemistry, University of Kalyani for his stimulating guidance, helpful discussions, constant encouragement and close attention throughout the course of this investigation.

I wish to acknowledge my deep sense of gratitude to Professor K. C. Majumdar, Ph.D. (Idaho, USA), Department of Chemistry, University of Kalyani for providing me the opportunity to work in his group which enabled me to achieve this height in my research field.

I am grateful to all the teachers and non-teaching staff of this department especially to Mr. D. Maity and P. Sur for their kind co-operation.

I feel proud to acknowledge IICB, Kolkata; IACS, Kolkata and IIT KGP for their co-operation in spectral measurements. I am also thankful to Chembiotek Research International Pvt. Ltd. and Chemgen Pharma International Pvt. Ltd. for spectral facility.

I feel fortunate to thank all the research scholars of this Department, specially Dr. H. Rahaman, Dr. A. K. Pal, Dr. N. Pal, Dr. B. Chattopadhyay, Dr. P. Debnath, Dr. S. Mondal, Dr. S. Nath, Dr. A. Taher, Dr. K. Ray, Dr. S. Samanta, Dr. N. De, Dr I. Ansary, Dr. R. N. De, Dr. P. K. Shyam, Mr. R. K. Nandi, Dr. T. Ghosh, Dr. S. Ponra, Mr. S. Ganai, Mr. D. Ghosh, Dr. B. Sinha, Mr A. Ghosh, Mr. B. Mondal, Dr. S. Barik, Mr. P. Mondal, Mr. S. Chandra, Ms. S. Roy for their heartiest co-operation and also for maintaining a harmonious atmosphere in the laboratory.

I am highly grateful to Dr. Santanu Chakravorty for his invaluable advice and continuous encouragement.

I sincerely thank the CSIR (New Delhi, India) who had helped me financially by providing CSIR junior and senior research fellowships.

I feel fortunate to thank all the boarders of R. S. Hall (Men), University of Kalyani for their kind co-operation during my research period. I am especially thankful to Mr. S. Porua, Mr. A. Pahari, Mr. S. Adhikary, Mr. A. Kader, for being there with me in the good times and bad.
I am thankful to all my friends, especially Mr. S. Bhattacharyya, Mr. D. Bandhu, Mr. T. Roy, Mr. P. Samanta, Mr. S. Debnath, Mr. S. Sil, and Ms. K. Pal, for their constant inspiration, encouragement.

In this moment I cordially memorize all my beloved teachers specially Late Ashu Babu and Dr. C. Saha. Without them the journey to this point would not have been possible.

I take this opportunity to express my profound regards to my stepmother Mrs. S. Hazra and sister Ms Ishita Hazra for their support and love.

I would sincerely like to thank my dear brother Mr. A. Hazra for his constant criticism and encouragement. I can safely say I have learnt so many things from him just being there in our constant struggle to achieve excellence. The road is not finished yet and a large portion of whatever success I achieved or will achieve will go to my brother for saying the right words and pointing the right directions. I hope he will remain there for me during the time ahead.

Finally, I would like to thank my father Mr. K. Hazra for his constant support and help in every situation. He encouraged me to take the difficult strides and win the battle. This is as much a journey of his as mine and I am really proud to share this occasion with him. My mother Bandana Hazra left me long time ago but her words are still with me. Her value, dreams are the most important source of inspiration for me. I hope to fulfill some of her dreams.
