Acknowledgements

I would like to express my sincere gratitude and indebtedness to my revered teacher Dr. R. K. Mishra, Associate Professor, Department of Mathematics who has been the main driving force behind initialization and continuation of this research study and ultimately leading to its successful completion. Words are insufficient to acknowledge the help he has rendered in the form of his expert and valuable guidance. Sparing of valuable time, untiring efforts and above all his timely help as and when required.

My Supervisor always met and guided me when required in very simple way. He was always ready to help me in solving my difficulties in personal meetings, on phone and email also.

I am much thankful to Dr. T.N. Pandey, Professor, Department of Mathematics, D.D.U. Gorakhpur University, Gorakhpur, India. For his valuable suggestions & help provided to me as and when required to discuss various results of Finsler geometry.

I am also thankful to Dr. Anirudh Pradhan, Associate Professor, Hindu P.G.College Zamania, Gazipur (U.P.) for his valuable suggestions during discussions and solution of the problems, Professor (Dr.) S. S. Dhaliwal, Professor (Dr.) Mandeep Singh & Dr. J.R.Sharma & Dr. S. Gupta ; Department of Mathematics, SLIET, Longowal for being so kind, co-operative and generous during the whole period of research work.

I would like to express my sincere thanks to Dr. Amritbir Singh, Associate Professor, Department of Mathematics, B.B.S.B. Engineering College Fatehgarh Sahib, for the sincere help and co-operation rendered by him in different way.

I am indebted to my late parents Shri R. N. Pandey and Mrs. P. W. Pandey for all the pain and sufferings, through which they have undergone to bring me up to this level. Very special thanks for their blessing, moral support and continual encouragement for higher studies.
I would like to express my deepest gratitude to my wife Mrs. Babita Pandey, who has been the main inspiring force to initialize this study and without whose moral support and co-operation this work would not have been completed. I feel a sense of apology to my son Adarsh to whom I could not provide his due share of love, attention and proper care during the period of research work.

Finally I thank the Almighty for continuous moral support & blessings.
