ACKNOWLEDGEMENT

With limitless humility, I would like to thank lord the Almighty and the Merciful, who bestowed me with all the favourable circumstances to go through this crucial juncture.

I avail this rarest opportunity to put on record my sincere thanks and heartfelt gratitude towards Dr. (Mrs.) Neelam Sharma, Senior Chemist (Residue), Chairperson of my Advisory Committee for her judicious guidance, scientific acumen, constructive criticism, ungrudged help and sustained encouragement throughout the course of investigation and during the preparation of this manuscript.

I am equally thankful to worthy members of advisory committee, Dr. (Mrs.) Ashu Gulati (Scientist, E-II, HATS, IHBT, Palampur), Dr. D.K. Sharma (Head, Department of Tea Husbandry and Technology), Dr. C.P. Awasthi (Senior, Biochemist) and Dr. T.R. Sharma (Professor, Biotechnology) for their keen interest and valuable suggestions during the course of investigation and preparation of this manuscript.

My sincere thanks to Dr. S.K. Gautam (Senior Agronomist), Dr. S.S. Rana (Assistant Scientist, Agronomy) and Dr. R.S. Rana (Agriculturist) for their valuable and timely help.

Thanks are also due to staff members of Department of Tea Husbandry and Technology and Research Farm for their appreciable sense of co-operation.

Thanks are duly acknowledged to Dr. R.G. Sud, Professor and Head, Department of Chemistry and Biochemistry, College of Basic Sciences. My sincere thanks are also due to Dr. N.N. Angiras, Head, Department of Agronomy, Forages and Grassland Management and Dr. P.S. Ahuja, Director, IHBT, Palampur for their ever ready help and support which made the things easier for me.

I emphatically extend my sincere thanks to the Dean, Postgraduate Studies for providing necessary facilities.

Every effort is motivated by inspiration. I owe this pride to my parents and ever dearest brother and sisters Meenakshi and Kalpna. Their selfless persuasion, sacrifice, heartfelt blessing coupled with my little efforts has made this manuscript a success to translate our dreams into reality. Their unflinching support lead to boost both my mental and physical stamina in achieving this task.

I should also not mince words to express my thanks to my friends, Robin, Poonam, Shalika, Shweta Swati and, Mrs Sunita rani for their whole hearted co-operation and joyful company during pursuit of the study.

Thanks are also due to Sh. Shakti Chand, Sh. Om Prakash and Sh. Joginder (Laboratory Assistant) for their timely help and co-operation.

For typing this manuscript, I gratefully acknowledge the intensive effort of the typist Mr. Ajay Walia.

Needless to say, errors and omissions are mine.
