ACKNOWLEDGEMENT

“In the Name of God, the Most Beneficial, the Most Merciful”

I Enter into His gates with thanksgiving, and into His courts with praise: be thankful unto Him, the Almighty, and bless His name, for unbroken health and vigor, bestowed upon me, all through the life span of these crucial days of my study.

I am fortunate enough and thankfully express my deep sense of gratitude and special appreciation to my major advisor, Dr. V.K. Sharma, Professor & Head, Department of Animal Nutrition for his sagacious and scholastic guidance, persistent motivation and his ever extending hands of help not only for completion of this research work but also for my overall improvement during the entire period and homely touch. He introduced and inspired me to explore the world of “Animal Nutrition”. I feel proud to have worked under him and will never forget the love & affection showered on me during the entire course of my association with him. I shall always remain indebted for his benevolence, constructive criticism, painstaking efforts and critical appraisal of the manuscript. As a Head of the Department, He always extended all the departmental facilities during course of this study for which I’m again grateful to him, who deserved it.

I am profoundly grateful to the esteemed members of my advisory committee, Dr. Arun Sharma, Assistant Professor, Department of Animal Nutrition, Dr. Daisy Rani, Assistant Professor, Department of Animal Nutrition, and Dr. R. Kumar, Professor, Department of Veterinary Physiology, COVAS, CSK HPKV for their valuable suggestions, timely help and guidance during my entire study period. I will remain ever grateful to them.

I express special word of thanks to a Member of advisory committee & my teacher Dr. Naresh Kumar, Professor, Department of Veterinary Biochemistry, for his impeccable guidance, immaculate suggestions and encouragement. My sincere thanks are due to Dr. S. P. Tyagi, Associate Professor and Dr. Adarsh Kumar, Associate Professor, Department of Veterinary Surgery and Radiology, COVAS, for their nice cooperation, kind support and cordial affection.

I wish to express my deep sense of gratitude to my teachers Dr. K. S. Sharma and Dr. Vinod Sharma for their kind co-operation and valuable suggestions. The help rendered by Dr. Madan Verma, Assistant Professor, Dr. R.S. Chauhan, Dr. Gopalpuri, and Dr. K. B. Sharma, Department of Veterinary Physiology, is duly acknowledged. It is my pleasant duty to express the profound sense of gratitude to the teaching and non-teaching staffs of the Department of Veterinary Pathology, for help rendered during the pathological operation and reporting, its interpretation and healthy suggestions during the entire study.

I am very much fortunate to have ever smiling Dr. Altaf Hossain Khandey as my younger brother who remained throughout the hard times of mine. The encouragement and moral support offered by him is beyond expression. I am grateful to him for his timely help and constant morale booster all along. I proclaim my special thanks to Ms. Anu Parmar, SRF, Department of Animal Nutrition, for her endless help, encouragement and support during the research work.

The research facilities provided by Department of Animal Nutrition are highly appreciated. I am extremely thankful to the Department of Veterinary Physiology, Veterinary Pathology and Veterinary Biochemistry for the facilities provided by them during my entire course of study. The help
and company of teaching and non-teaching staff members of these departments were outstanding. It would have been very hard for me to get control of research work without their dedication and selfless efforts.

The cooperation and help rendered by my Afghan friends (DRs.) Arif, Ahmad & Aminullah; Mohammad Ismail, Mohammad Hadi and Mohammad Najibullah; my African friends Mohammad Mustafa and Mr. Francis; My Indian friends (DRs) Imran, Aasim, Manzoor and Abid for their healthy criticism, moral support and joyful company during the study period. I am oblige to them for their great sacrifice, sincerely cooperation and help that made me usual in living in Palampur. No words can express my feeling about my lab mates and juniors (DRs.) Shashwati, Isha, Sourov, Kapil, Rajbharat, Rohit, Sachin and Varsha for their continuous encouragement, ethical support and enjoyable company which will never be forgettable.

This is the time to remember all sweet memories of my ever dear friends and colleagues in CVASU, (Professors) Dr. ASM Bari, Honorable Vice-Chancellor; Dr. N. C. Debnath, former VC; Dr. M. K. I. Khan, Registrar (in-charge); Dr. Md. Masuduzzaman, Dean; my departmental colleagues Professor G. B. Das, Professor & Head of the Department, M. J. Khatun, Professor M. A. A. Biswas, Mr. M. E. Hossain, Mr. M. M. Islam and DR. S. Talukdar, along with the teaching and non teaching staffs of CVASU and DLS (CTG. Office), Chittagong, Bangladesh for their endless help and support during my study (leave) period.

With personal touch of fervent I heartily wish to express my deep sense of gratitude to my wife Tumpa and my only daughter ATHAI for their outstanding support, understanding, patience and encouragement during the entire period of the study.

I reserve my final words of appreciation, gratitude and respect for my parents, Md. Ahosan Ullah & Mrs. Razia Ahosan, my younger brothers Sumon, Mohan, Jahid, Tushar and Tutul; my sisters Selina, Sahana, Shajila, Shamima, Champa, Rojina and Chumki; my beloved dulavai Jabbar for their sacrifices, love, patience, encouragement and blessing without which I would have been handicapped in presenting this investigation.

I owe my thanks and affection to those who have helped me directly or indirectly during the course of study but have not been inadvertently mentioned. I shall also remain indebted to those layers who sacrificed their lives for the conduction of this study and making my research a success.

The financial assistance rendered by Indian Council for Cultural Relations through SAARC Scholarship Scheme 2008-2009 in the form of Scholarship is duly acknowledged.

Last but not the least; I am grateful to almighty God, for giving me the strength, courage, perseverance and patience to achieve this memorable milestone of my life.

Needless to say all errors & omissions are mine.

Place: Palampur                                                                                  (Md. Hasanuzzaman)
Date: the 16th November 2011
